FATHER'S DAY ESSAY CONTEST WINNER Kathy Syniski of Madison (second from left) receives \$25 savings bond from Joseph Glik (left) as other members of the Men's Wear Retailers of the Tri-Cities Herbert Schermer and Dan Lindner look on. Miss Syniski and Dale Pashea of Granite City, who was absent, submitted brief "My Pop is Tops" essays judged the best in the Father's Day contest.

## Winners Announced in Local Father's Day Essay Contest

Kathy Syniski, 13, of Madison, and Dale Pashea, 17, of Granite City are the winners of \$25 savings bonds in the Men's Wear Retailers of the Tri-Cities "My Pop is Tops" contest. It was announced here yesterday.

Their brief essays on why their fathers are "tops" were selected as the best from among all entries in the Men's Wear Retailers contest which was staged in conjunction with Father's Day, which is Sunday.

Miss Syniski is the daughter of Mr. and Mrs. Frank Syniski of 900 Alton avenue, Madison, and will be a freshman at Madison high school in September. She received her first place award from representatives of the men's year group yesterday afternoon in the offices of the Associated Retailers.

Pashea, who graduated this month from Assumption high school, East St. Louis, is the son of Mr. and Mrs. Ony Pashea of 2515 Sheridan avenue. He is currently serving as a Boy Scout counselor at Camp Sunnen and will receive his savings bond award upon his return.

The contest entries were limited to 25 words or less.

### Charged With Speeding

Lile Hartzel, 21, of 160 Tennessee avenue, Mitchell, was issued an arrest ticket on Madison avenue yesterday afternoon by Granite City police who charged him with speeding. He posted his driver's license as bond.

### MORE ABOUT Seek GC Youth

(Continued from Page 1)

two, a 15-year-old Granite City youth and a 13-year-old Venice boy, were referred to the Madison police youth officer.

Investigation showed that the boy had been removed from an outdoor newspaper vending machine in the 400 block of Madison avenue.

### Thefts From New Cars

Spare wheels and whitewall tires were stolen from the trunk of a 1960 auto on the lot at B. E. Hohl, Inc., 1837 Madison avenue, according to a report made Monday evening to Granite City police.

The trunks lids were forced open on all three of the new cars, and after taking the spare wheels the thieves laid the jacks on trunk lids to keep them closed.

### Boat Extinguisher Stolen

A 24-pound fire extinguisher was stolen from his boat which was stored in an open garage at his home, 2406 Missouri avenue, according to a report made Monday evening to Granite City police by Marvin Singler.

### Motorcyclist Injured

A motorcyclist, Leonard Walenber, 53, of 2620 Birch avenue, suffered a cut to his lower left leg Tuesday night in a spill in the 1400 block of Madison avenue. He was given emergency treatment at St. Elizabeth Hospital where 10 stitches were taken to close the wound.

Police said Walenber was traveling south on Madison avenue when his cycle went out of control. He was alone at the time of the mishap.

SIU President Morris spoke briefly. Before him, as faced others on the program, was a horde of amateur and professional photographers as well as television cameras.

**Tribute To Fischer**  
Dr. Morris introduced the governor in a talk that gave the background of the local campus, as well as future hopes. He also introduced the SIU trustees, among them Harold R. Fischer, president of the First Granite City National Bank.

Fischer, who was wearing a cap and gown and sitting on the platform with other trustees, was given special mention by the University president for providing the trustees and administration of the university with information on the potentials of the new campus area at the outset of the movement.

Preceding the commencement exercises, Gov. Stratton, Supt. of Public Instruction George H. Wilks, area legislators, university officials and members of the Southwestern Illinois Council for Higher Education toured the campus area in four buses at 3 p.m. and then were guests at an outdoor buffet supper at the campus office. Attendance was about 200.

**McBride Heads Campaign**  
Dr. Lynn addressed the group and introduced John J. McBride, vice-president and general manager of Union Starbuck & Refining Co., who is to be the area campaign director for passage of the November bond issue.

Dr. Lynn recalled the organizational meeting in the fall of 1958. "We have come a long way . . . While most of us fully appreciated at that time the urgent need for university facilities in this area and were ready to commit ourselves to extensive effort, we had little reason to expect that so much could be done so quickly."

"Tonight we are gathered here at the very heart of a growing institution. The drama of this development can best be depicted by some of the accomplishments to date:

"Almost 3000 students are enrolled in degree programs at Alton and East St. Louis.

"More than 1500 industrial, adult and technical students per year are taking courses in some eight locations.

"More than 5000 individuals have participated in various conferences, workshops and special events during the last year.

"To teach the students, 164 full-time professional staff members have made their homes in our communities. Of the teaching faculty, more than two-thirds have doctoral degrees.

"The cultural activities, particularly in music and art, have been extensive. The Chorophone Society sang with the St. Louis Symphony and appeared on television last season.

"The University staff has participated not only in community organizations but in bi-county and bi-state development.

"Faculty members belong to well over 400 different community organizations.

"Funds have been raised to purchase 1400 acres of a 2000-acre campus site to date. This job is to be finished.

"From a momentary standpoint, this activity has brought to this area a larger share of

## Earl Rankin, 64, Dies

### After Long Illness

Earl Rankin, 64, of Rural Route One, a Granite City resident for about 30 years, died of an apparent heart attack at 12:50 a.m. Wednesday at St. Elizabeth Hospital. He had been hospitalized for varying periods for the last six months.

Born in St. Louis, Mr. Rankin had been disabled for many years. He was formerly a printer in St. Louis.

He is survived by his wife, Mrs. Della Rankin, and one brother, Jerome Rankin, of Chesterfield, Mo.

Funeral arrangements are given in the obituary column.

the state's expenditure for higher education."

Dr. Lynn pointed out the area has "awakened to the advantages and necessity of higher education to future industrial, business and cultural development."

He paid tribute to Gov. Stratton, SIU President Morris and Vice-President See and the citizens of the area who participated in the campus fund drive. To them, he said, "The job has only begun."

"The people of this area expect, yet demand — to see the development of a great university — one unfettered by tradition — one given an opportunity to develop in the fullest sense of the word — one that reflects the very hopes and aspirations of our citizenry."

"As a citizen's council we see our part in this program as twofold:

"First, to give support and assistance to Southern Illinois University and the pursuit of higher education in every way possible whether it be on a local, county or state level. During the next few months, we expect to work with every means at our disposal to assure passage of the bond issue. Immediately after the November election, the council intends to renew its efforts to help secure the additional land necessary for the construction of the university."

"Our second task is to serve in an advisory capacity to the University. We must continue to upgrade the educational program of the university and the extent to which it is meeting the needs of our area. Much has been accomplished during the past three years but many problems remain unsolved — engineering, nursing and other specialized programs. We shall not rest until these needs are met and the problems solved."

## Post 113 Looks For First Win At East Alton

Mathews Chevrolet, with only eight hits to its credit in two games this season, went through a particularly heavy batting drill at Wilson Park yesterday afternoon in preparation for tonight's Junior American Legion league game with East Alton.

Beaten 2-0 by East Alton last week when it managed only one hit, the local Post 113 squad will be looking for its first win in three games this year. The game begins at 6 p.m. in the Wood River high school diamond, East Alton's home field.

Manager Joe Summers said he plans to shake up his outfield for tonight's contest, starting with Bob Hofek in left, Bob Summers in center and Grant Tackmager in right.

Either leftfielder Joe Holder, who lost a three-hitter to tonight's opponents, or rightfielder Larry Corey will start for Mathews.

Post 113 will get a chance to avenge its other loss, a 6-5 decision to Edwardsville when it hosts Post 199 at Wilson Park Saturday at 2:30 p.m.

Next Tuesday, Mathews will travel to Collinsville to play a doubleheader under the lights, with games at 6 and 8 p.m.

Summers said he was impressed this week in practice by improvement shown at shortstop by Larry Clark and by Don Dilard's work around the bag at third.

## Frey, Kofahl Combine On No-Hitter In Madison Khoury Loop

Bill Frey and Terry Kofahl combined efforts to pitch the first no-hit no-run game of the season in the Madison Lions Khoury League Tuesday night on the 12th street diamond.

The pair hurled the United Steelworkers to a 19-0 win over Diamond Plating in a Juvenile Division Stan Musial league contest. Frey worked the first four innings and left with an 8-0 lead after striking out four, and Kofahl finished up with two hitless innings while the Steelworkers were scoring 11 more runs.

Harry Squires was behind the plate for the winners. Kenny McMillan took the loss, with Kofahl catching for Diamond Plating. Jim Cavanaugh and Tom Hillman each pounded home runs. Cavanaugh also had a double among his four hits.

In the Nameoki Little League Tuesday, Duane Bridges narrowly missed a no-hitter as his team, the Oilers, stopped the Giants 11-0 in a Major division game on the Little League diamond.

Bridges retired the first 13 batters he faced. Two infield errors gave the Giants runners in the fifth and Bridges walked one and gave up the only hit when the Oilers had 11 hits.

## Golf Lessons To Be Made Available Through Local 'Y'

An evening course of instruction in golfing techniques, open to men and women and boys and girls 12 years of age and over, will be offered by the YMCA during a six-week period this summer, the "Y" announced today.

A meeting of persons interested in enrolling in the course, which will be offered at a cost of \$1 per lesson, will be held June 20 at 10 a.m. at the YMCA. The instructor for the six-week session will be Belleville township high school golf coach Ralph Heintz.

Site of the instruction will be Norman Holsinger's Hillbrook course located in the bluff area 200 feet south of the Peters Station junction of U. S. Bypass 40 and Illinois Route 197.

The courses will be conducted in the evening, once each week. Persons unable to attend the June 20 meeting at the YMCA may register by telephoning the "Y" office at TR. 6-7200.

## Park Tennis Courses Will Begin Monday

A tennis program designed for both experienced players and beginners will start Monday on the Wilson Park courts under the direction of Instructor Ron Underwood.

Sponsored by the Granite City park district, the program will concentrate on instruction in the basic tennis strokes and tennis fundamentals.

Classes on Monday, Wednesday and Friday from 9:30 to 10:30 will be aimed at youngsters 13 through 15 years of age. From 10:30 to 11:30 on the same days, instruction will be available to those in the 11 through 12 age group.

Classes for nine and 10-year-olds will be conducted from 9:30 to 10:30 a.m. on Tuesday and Thursday, with those seven and eight years of age able to receive instruction from 10:30 to 11:30 a.m. each Tuesday and Thursday. An evening class for adults will be conducted each Wednesday from 6 to 8 p.m.

A certificate of award plus a park district tennis badge will be presented to all youngsters who show improvement and pass the tennis tests at the end of the course. Underwood said.

Persons wishing to enroll for the adult portion of the program should report outside at 6 p.m. Wednesday, June 22, to register for the program.

## Scores Ace On Depot Golf Course

Fred Hubert, 1908 Johnson road, scored the first hole-in-one in his golfing career on the sixth hole at the Granite City Engineer Depot course yesterday evening.

Hubert, who took up golfing only two years ago, said he used a five iron to ace the 155-yard par three hole. The hole-in-one was the first scored on the local course since it opened last year.

Hubert was playing in a foursome which included his son, Ken, Jack Azari and Azari's son, Danny.

## Scout Season At Camp Sunnen To Open Sunday

The Boy Scout summer camping season at Camp Sunnen, Potomac, Mo., will officially open Sunday with the first of six weekly sessions. The season will run through July 31, and 800 local scouts and leaders are expected to attend, Dan Brown, Uniwah district executive reports.

Highlighting the program for this year, the golden jubilee of the Boy Scouts, will be a jubilee camporee July 23 and 24, hosting an estimated 400 to 500 Quad-City scouts, Brown said.

Offering tasks which vary according to the ability of the scouts, the stay at Camp Sunnen makes available instruction in compass, knife and axe pack-

ing, nature lore, archery, shooting, fishing, swimming, horse pitching, hikes and scoutcraft.

The scouts will cook their own meals, and campfires on a unit and campwide basis are frequently planned.

The expected number of scouts this year is approximately the same as that of last year.

Quad-Cityans scheduled to participate in the initial camporee week of June 19-25 include Scouts Billy Hayes and James Parker and Scoutmaster Raymond Gaudette of Elk Troop 11 of Granite City, and 19 boys and leaders Curtis Stover of Wilson school FFA Troop 122.

The troop 122 contingent consists of Rodney Castleton, Doug-

## Postmen Take Industrial Loop Lead

The Granite City Post Office barged into the lead in the YMCA Industrial Softball league last night at Lee Park in Venice with an 8-2 win over Union Starch and Refining Co. The Postmen improved their record to 2-0 after Granite City Steel Co. used a ninth inning "suicide squeeze" bunt by Bernie Crookrell to edge winless A. O. Smith Corp. 4-3. Carroll Tingley gave up only two hits — singles by Ray Mercer and Bill McKee — while the Postmen were collecting 11 safe blows off Union Starch starter and loser Oren Harrison. Included were three hits by Post Office catcher Andy Angeloff, one a double and one a home run. John Hinton also had three hits for the winners, including a sixth inning homer which came on the heels of Angeloff's blast. Don Crabtree, with a triple, and brother double, added to the Postmen's total of five extra-base hits. Angeloff batted in four runs for the winners. Mercer and Harley Warren split catching chores for Union Starch, which now has a 1-1 record. The GC Steel-A. O. Smith game was all locked up at 2-2 after seven innings of play. Neither team could threaten in the first extra frame, but the Smith squad took a 3-2 lead in the top of the ninth on a single by Catcher Ron Corey, walks to John Goldasich and Dick Jobe and a wild pitch. With two out in the bottom of the ninth, Mack Cook coasted a pass from loser George Martin. George Cook also walked and John Draper singled to score Mack Cook. Fred Cavins was

## Expect To Occupy GCHS Classroom Addition Sept. 1

Additions to Granite City high school are 58% complete, and at least the 16-classroom wing on the north should be ready for use by September, the school board was advised Tuesday night.

Delayed by a construction strike last year, the structures have most of the exterior in place but much interior work remains. Plumbing work by Markely Plumbing is 75% complete; heating and venting work by Kremer-Hicks Co., 60%; general construction by S. M. Wilson and Co., 55%; and electrical work by Rite Electric, 51%.

Emphasis is to be placed on completing the classrooms, with attention next devoted to an addition housing four regular rooms and three vocational shops.

A report was received from Ivan J. Damewood of the U. S. Housing and Home Finance Agency, authorizing release of the \$100,000 federal grant that is financing the work. He noted that the work is progressing at a satisfactory rate.

At the time of his inspection on May 31, Damewood said work underway at the northern addition included spreading and tamping the stone fill for the remainder of the first floor slab; laying conduit for the slab; installing metal stud walls and lath on the second floor; and installing windows. Brickwork was complete, with most of the pre-cast window sills in place, stone entrance trim set, 60% of the ground floor poured, plumbing and electrical rough-in complete, heating pipes installed and half of the roof complete.

At the shop addition, masonry work was about 80% done, with setting of roof joists scheduled and electrical conduit and boxes already set in the masonry walls.

The board authorized Supt. Harold M. Kaiser to go to Chicago today and Friday to discuss with Housing and Home Finance Agency officials the specifications for furnishing the high school additions.

## Charge Placed Against Motorist In Accident

A charge of reckless driving was placed against Beatrice A. James, 24, of 2809 Dogwood drive, who was involved in an accident yesterday afternoon at Faith avenue and Fortune drive. She posted her driver's license as bond.

Police said she was driving west on Faith avenue and collided with a parked car belonging to Thomas Kent, 2101 Leeward avenue.

## Hit-Run Accident

A pickup truck belonging to Delmar Cochran, 2408 Madison avenue, was damaged about 2:30 a.m. Wednesday when it was parked in the 2400 block of Madison avenue and was struck by a hit-run motorist. A passerby reported the accident to police and gave the license number of the hit-run vehicle to the officers. It was issued to an Edwardsville woman.

## Traffic Charge

John O. Rodgers, 20, of 2673 East 23rd street, was issued an arrest ticket at 21st street and Arden avenue Tuesday afternoon by Granite City police on a charge of careless driving. He posted his driver's license as bond and is to appear for a hearing Saturday before Police Magistrate Gasparovic.

Three children were among those given emergency treatment Tuesday at St. Elizabeth Hospital. Phillis Carlbough, 11, step-daughter of Fred Fox, 2803 Roosevelt street, required 15 stitches to close a cut on her lower right leg received when she fell on a step at her home. A second fall victim was Marvin Reskab, 75, of 1224a Madison avenue, who hit his head on concrete.

TR. 7-0317

**DELAY 786 HAS INITIATION**  
Initiated into Delray Rebekah Lodge 786 at its Tuesday evening meeting were Mrs. Beverly Shelton, Mrs. Ruth Winters, Mrs. Catherine Oida and Loren Willman. Degree Captain Evelyn Shastien was in charge of the initiation in the Odd Fellows hall, and presiding over the business session was Noble Grand Ruby Woods.  
Plans were made for a quarterly birthday party at the next meeting. A "friendship key" from the state president, which is to be passed on to another lodge, was presented to the noble grand by Nameoki lodge. There were visitors present from St. Louis, Venice and Nameoki together with 33 members.  
Small flags decorated the refreshment tables for July Day. Mrs. Woods and Mrs. Shastien making the arrangements, and serving were Mrs. Virginia Call, Mrs. Dorothy Gregory, Mrs. Lila Sanders and Mrs. Irene Miller. Cakes were furnished by ladies from Nameoki lodge.

**CLASS PLANS SOCIAL**  
The Mizpah Bible class of the First Presbyterian Church met Monday evening in the church basement for a monthly meeting. The meeting was called to order by the president, Mrs. Mattie Bosworth, and the devotion consisted of a review of Sunday school lessons for May by Mrs. Howard Lucas.

The members planned an ice cream social for July 16 on the lawn of the church, weather permitting, or in the basement. Members responding to roll call were: Mesdames Annie Laura Platt, Catherine Hauskins, Mildred Burgess, Bernice Gushieff, Rose Miller, Eunice Wilkerson, Daisy McDonald, Ann Hackett and Anna Jones, a new member of the class. Refreshments were served by the hostesses, Mrs. Gushieff and Mrs. Hauskins.

**OVERNIGHT CAMP**  
Brownies of Troop 87 enjoyed an overnight camp-out at the home of the leader, Miss Dorothy Hinson, 1530 Third street, Tuesday afternoon, night and Wednesday. Tents were set up in the back yard of the home and the girls cooked the evening meal, breakfast and lunch out-of-doors.  
The girls made baskets, worked on other projects and held a "penny hike." On Tuesday evening, the group sang around a campfire.

Brownies present were Rebecca Bevil, Mary Champion, Lynn Clay, Ruth Mische, Debra Faldorf, Emily Webb, Linda Webb, Sandra Wood, Zoe Ann Tatum, Nancy Gitcho, Beverly Bosworth, Phyllis Frizzell, Sherri Jackson, Rose Marie Hackett and Leslie Hulsey. Junior counselors were girls from Girl Scout Troop 87, Mary Bergrath, Margaret Champion, Sharon Vavra, Veronica Bosworth, Cynthia Zahn, Barbara Bellew, Donna Smith, Barbara Jo Dutko and Polly Wood. Miss Norma Hinson and Mrs. Hazel Hinson assisted, and the junior counselors assisted the Brownies with projects and cooking.

The Christening of Keith Gregory Werner, infant son of Mr. and Mrs. Gerald Werner, 2000 Sixth street, took place Sunday afternoon at St. Mary's Catholic Church. Fr. Sylvester Micek officiated, after which a family barbecue was held at the Werner home for the Feurka and Werner families. Mr. and Mrs. Werner are the parents of a daughter, Kathleen Ann, and another son, Kevin Charles. Mrs. Werner is the former Miss Janet Feurka.

## Father's Day...

We are not sure of its origin, what it has created or what will become of it in the future. However, we all know and have been subjected to its commercial aspects.

We here at Trattler's are as commercial as the next fellow; after all, that is why we are in business to buy and sell.

We are taking this opportunity to express an honest tribute to the FATHERS of this community and all over the world. It is an excellent time for a sober reflection of the year past — so that we can fully appreciate their trials and tribulations, their kindness and understanding, their responsibilities and fulfillment.

So by more than just a gift, let us pay homage to Father's Day with our words and deeds.

They were: Cora Hietick, auditor and youth guidance; Lizzy Pufall, delinquent; Matilda Olsen, finance; Arline Mizeraki, membership; Norma Hemphill, publicity; Leta Schroeder, trial; Sylvia Oeckap, visitation and birthdays; Dolores Schumate, ways and means; Gladys Newman, Madison Nursing Home; Mary Gwin, Memorial Foundation; Ann Koonopia and Frances Patek, muscular dystrophy; Margaret Johnson, cancer fund; Edna Kohlbrecher, ritual captain; Angie Bushler, escort captain and Madison County Sanatorium; Juanita Blevins, memorial captain; Helen Pregel, social; Mary Brominski and Kathryn Clark, investigating; Sylvia Roy, convention.

Final plans were made for the Auxiliary convention June 23-25 in Moline. Mrs. Oeckap was appointed as the official delinquent, replacing Mrs. Margaret Johnson, who will be unable to attend.

Mrs. Buehler announced the completion of plans for a party to be held at the Madison County Sanatorium and a mock fashion show to be held, together with entertainment by the kitchen band of the auxiliary.

Arrangements are also being made for a celebration June 25 of the 55th anniversary of the Aerie and Auxiliary. A covered dish dinner will be served and there will be dancing to the music of an orchestra.

The group decided to hold a "discussion" night in July on coming events which will include a social, a rummage sale, apron social, a tour of Grant's Farm and a visit to the Pevely Playhouse.

Prizes for the evening were won by Mrs. Pufall, and Mrs. Baker, and refreshments were served by Mae Amisch and members of her committee, Mrs. Anna Adolph, Mrs. Brominski, and Mrs. Flo Hillis.

The next meeting of the Auxiliary will be held June 28.

**Auxiliary Holds Coffee Party**

The first coffee party of a "coffee pyramid" was held Tuesday morning at the cottage of Mrs. Merle Kahle at Long Lake. Miss Marie Zimmer was co-hostess.

The coffee pyramid is a fund raising project for the Auxiliary and prizes were won by Mrs. Martha Bowman, Mrs. Lily Vonn, Mrs. Ann Walker and Mrs. Irene Argelan.

Others attending were Mesdames Elizabeth Kelly, president, Frances Gruber, Margaret Ca-chick, Catherine Pisel, Dorothy Worniak, Kathryn Crawford, Minnie Seibold and Eula Brum-bene.

The next party will be held at the home of Mrs. Argelan.

**CLOSES SEASON WITH OPERA PARTY**

Beta Phi chapter of Epsilon Sigma Alpha sorority closed the season by attending the performance of "Meet Me In St. Louis" at the Municipal Opera last night.

Eight members and three guests were in the party. The guests were Mrs. Shirley Hollis, Mrs. Loretta Shipp, 2916 Harding avenue.

Mrs. Sally Slasky, vice-president, was in charge and one new member, Mrs. Geneva Downing, was enrolled. Plans were made for a picnic and for the next regular meeting in the home of Mrs. Helen Rehagen, 1740 Bremen avenue.

Refreshments were served and there were games with prizes going to Mrs. Rehagen, Mrs. Slasky and Mrs. Millie Shubert.

## PTA At St. Mary's Holds Annual Banquet

The annual banquet of St. Mary's Parent-Teacher Association was held Monday evening at the Trailways restaurant. Fr. Engelbert Blenck, Fr. Sylvester Micek and 21 Mrs. Daily Malone were guests for the evening. Dinners of chicken, steak and lobster were served to the members and guests.

Mrs. Leona Svezia, president for the past year, introduced the new officers for 1960-61. They are Mrs. Dorothy Berggrath, president; Mrs. Ann Herman, vice-president; Mrs. Betty Dobrowski, secretary; Mrs. Delphine Turkis, assistant secretary; Mrs. Louise Papa, treasurer; and Mrs. Betty Bulva, chaplain.

Mrs. Svezia thanked the committees and officers of the past year and presented the gavel to the new president. Gifts were presented to the retiring officers, Mrs. Svezia, Mrs. Rose Schwertmann, vice-president; Mrs. Leo Krapan, secretary; Mrs. Wilma Owca, assistant secretary; Mrs. Barbara Pasius, treasurer; and Mrs. JoAnn Spahr, chaplain.

A check for \$200 was presented to Rev. Blenck from the PTA members to be used toward a trip he is planning to make to Europe during June. St. Mary's were made by Rev. Blenck and Rev. Micek.

The remainder of the evening was spent as a social gathering. Members present were Mesdames Theresa Cochrane, Cel Banaszak, Wanda Schewe, Martha Melloy, Mary Ann Bunk, Angeline Pades, Adele West-lak, Genevieve McClure, Frances Steiner, Helen Romanic, Frances Rietzow, Helen Cholewicki, Ann Lengyel, Regina Piechodinski, Vera Sikora, Dell Miller and Charlotte Noman.

The new officers will take charge of the next meeting, which will be held Aug. 9, to make plans for the school term.

**Miss Longfellow And Wm. Wilson Wed Tuesday**

Miss Nellie Longfellow, who has been residing near Milwaukee and William C. Wilson, 2443 Marshall avenue, were married Tuesday at 7:30 p.m. at the parsonage of Trinity Tabernacle in Madison by Rev. C. M. O'Guin.

Mrs. and Mr. Forrest L. Wilson, a brother and sister-in-law of the bridegroom, were the only attendants.

The newlyweds left after the ceremony for a honeymoon trip to Portsmouth, Va. When they return they will reside at the home of the bride.

Mrs. Wilson is employed by the General Steel Castings Corp. His bride is employed in St. Louis.

## Salary Agreement Brings School System Near Maximum Tax Rate

Since both the Granite City school board and the teachers' local were in agreement that higher pay for the teachers was justified, most local residents were surprised that a strike occurred. Taking place as it did on the last day of school, the walkout seemed ill-advised because it created problems for students, parents and teachers and because it was unnecessary.

Virtually no negotiations occurred until the final school day, so it cannot be said that they had broken down. There had been meetings at which information was presented, requests submitted, rejections announced and counter-proposals offered. But once the superintendent and his staff and the teachers' salary and policy committee sat across the table and freely discussed the pay schedule, an agreement was reached within a matter of hours.

The board had no choice but to consider both the best interests of the teachers and the financial condition of the school district. There is no question that the public is concerned over the growing tax burden, and it is a fact that school taxes make up more than half of all local taxes. At the same time, regular teacher raises have become a pattern. The board's intent was to give the best salary increases that the school system could afford.

The district's median teacher, holder of a bachelor degree and eight years' experience, was increased to monthly pay of \$688 in 1961-62 from the present \$622. The new contract affords higher increments and raises for the teachers with the most experience, and such teachers make up the bulk of the present employees. Well over 200 of the 425 teachers will get increases of \$44-a-month in 1960-61 and an additional \$44 in 1961-62. The median teacher will earn over \$34 a day or between \$4 and \$5 an hour for required work. Daily salary will range from a low of \$26 to a high of \$41 for degree teachers. Extra pay is given for many of the extracurricular assignments.

The salary dispute points up a major advantage of year-round school. Even without any further increases than those now provided, the program could add another 33% to yearly income of teachers willing to work 12 months instead of nine; those wishing to remain on a nine-month basis also probably could be accommodated. With the new pay schedule expected to use up nearly all of the present authorized educational tax rate of \$1.75, and the school enrollment still growing, the alternatives to year-round school appear to be a cap on salaries and other school costs or an unpopular election to approve greater spending.

These are serious questions, and the situation becomes more serious as the currently authorized tax rate maximums are reached. Full discussion and responsible action by all will be essential to solve the growing financial problem.

## Circuit Court Speeding Justice By Reducing Backlog Of Cases

Reduction in the backlog of pending cases is helping to increase the stature of the Madison county circuit court, for justice delayed too long can become injustice.

With all three judges on the bench simultaneously on frequent occasions, and court sessions scheduled through the summer, they have been able to reduce the backlog to 1887 as of this month. The total compares with over 2700 pending low and chancery cases on the docket for trial at the time the trio assumed office three years ago.

The current backlog is considered low for a county of this size. With some of the pending cases already in the process of settlement, it is hoped to reduce the number even more. The results being obtained indicate that courts can be operated efficiently, with decisions rendered promptly, if there is determination on the part of the judges and court staff.

## Repairs Started On Chouteau Twp. Roads

Work was started this week by Chouteau Township Road Commissioner Paul E. Potter to improve streets and roads in the Mitchell area, it was learned from Supervisor Joseph Troeckler.

A number of complaints were being received on the condition of the roadways, and among those already graded are Lenox avenue and Maryville road. Troeckler pointed out that he is merely the treasurer for the road commissioner and that it is up to the commissioner to carry out the work.

## Example Set By Fathers Affects Home, Community And Nation

Father's Day, 1960, to be observed on Sunday, June 19, is worthy of recognition even though it is one of the lesser holidays of the year. It would be hard to overemphasize the role of fathers and their contributions to the home, community and nation.

The old concept of an autocratic head of the household has virtually passed out of existence, and family life has become more of a team effort. Yet it is the parents who must set the standards of conduct, and the fathers who must see to the happiness and well-being of their families as well as providing them with housing, food and clothing.

Much of what is wrong with the world today, unfortunately, must be attributed to parents failing to meet their responsibility. Many children rise above their environment, but there is no doubt that broken or strife-torn homes, lack of guidance and sound advice and failure to set the proper example have created needless problems for youngsters in adjusting to society.

Home life, is the core of our civilization, and fathers can do much to help their children learn and mature into responsible, happy people. Most fathers deserve a pat on the back for their efforts, and Sunday will afford a golden opportunity to do just that.

## Broader Services Offered At Mental Health Clinic

Employment of two psychiatrists by the Madison County Mental Health Clinic will enable expanded services to be offered at both the Granite City and Alton offices.

At its June meeting, the board of directors approved a proposal for part-time duty by the two doctors, one of whom will be at the Granite City clinic four mornings each week, beginning July 1. In addition, the board hired a second full-time psychiatric social worker.

While already performing important work here, the clinic will be able to give much broader service with the additions to its staff. The program seems destined to be of immense value through aiding Quad-Cityans in meeting emotional and psychological problems.

## Public Aiding Federal Authorities In Locating Most Wanted Criminals

How damaging is it to advance down the road of crime so far that an individual's picture is placed on the post office or police station wall? It may be an old-fashioned police device that was used against Billy the Kid, Jesse James and John Dillinger, but the "most wanted" list is still proving effective in catching criminals.

The Federal Bureau of Investigation credits scores of arrests to its circulars, which designate the ten most wanted fugitives as well as other suspects. With the aid of a sharp-eyed public, about 150 criminals listed on circulars have been apprehended in the last 14 months. Of these, 45% were located as a direct result of wanted posters and cards distributed throughout the nation.

Among the 120 "most wanted" designated since such lists were originated ten years ago, 22 were captured due to the circulars and 18 others were arrested with the help of newspaper articles and photographs. The average press run by the FBI totals 125,000 posters and cards giving pictures, fingerprints and detailed descriptions.

Postal authorities and the Secret Service also help blanket the nation with circulars aimed at tracking down mail robbers, counterfeiters and others. Notices are sent to a variety of businesses as well as to public buildings and law enforcement agencies.

Who is the all-time record "post office pinup boy"? Joseph Corbett Jr., currently on the most wanted list, who has been the subject of 485,000 wanted flyers and 159,000 card-type arrest orders.

## Local 67 To Elect

United Steelworkers Local 67 of Granite City Steel Co. will elect officers for the next two years from 6 a.m. to 6 p.m. tomorrow at the Labor Temple, President Philip Sykes is being opposed by George Grimm and Clyde Boyd, and there also are contests for the other offices.

## Traffic Accident

Involved in a minor accident Tuesday afternoon on Niedringhaus avenue at the city hall was a 1958 Ford sedan owned by Robert F. Means, 31, of 3185 Jill avenue, and Wilma M. Dawdy, 39, of 3008 Edgewood avenue. Police said Means was motivated to pass the Dawdy car which was in the process of being parked and that the mishap occurred as he was passing. There was damage to the left rear of Means' auto and to the left of the front bumper on the Dawdy car.

## American Legion Post Nominates Officers

Members of American Legion Post 113 nominated a slate of officers, trustees, executive board members and convention delegates during a regular meeting at the post home Tuesday night. An election of officers will be held at the next meeting. The nominees were: for commander, Alex Ducetin; for secretary, Joseph Summers; for sergeant-at-arms, Richard Blake; for finance officer, Harry Montague; for trustee, Harry Hiller Jr. and Clarence Goeller; for executive board member, Melvin Hanabrink and Waldo Matt.

Ducetin is civilian personnel director at the Granite City Station Depot, where Goeller is chief of the communications branch. Summers is a radio conductor and manager of the Legion junior baseball team.

Others present were Mesdames Melvin Steiger, Alex Ducetin and Joseph Goeller. Alternated delegates nominated were Charles Brazier, Edgar Horton, Harry Montague and Joseph Summers. Junior vice-commander Leonard Watts reported on plans for an orchestra due to be held at the post Saturday from 9 p.m. to 1 a.m. A motion to present the relatives of deceased veterans was passed.

American Legion 22nd district commander Harris reported on six Legion awards made to students of Granite City high school, St. Joseph's school and Sacred Heart school.

## Convention Delegates

James Harmon and Mesdames Cecelia Habekost, Ida Hanfelder, Clara Redmond, Laura Biohoff, Clara Smith and Isabel Schmidt are among the Quad-Cityans who have been appointed by the Madison county Republican central committee as delegates to the state Republican convention to be held Saturday in Decatur.

Mr. and Mrs. Ira Hancock of Missouri visited Sunday with a brother-in-law and sister, Mr. and Mrs. William Reagan, 2517 Washington avenue.

AT BROTHER'S FUNERAL  
Mr. and Mrs. Rome Sturdivant, 2222 Adams street, accompanied by Mr. and Mrs. Richard Sturdivant and family, have returned from Paris, Tenn., where they attended the funeral June 10 of Rome Sturdivant's brother, A. B. Sturdivant.

## County Safety Council Honors Past Presidents

Certificates of recognition were given to 25 past presidents of the Madison County Safety Council during the organization's annual summer dinner meeting held Tuesday at Lockhaven Country Club near Alton. Eugene R. Burnett of Dow Metal Products Co., current council president, was in charge of the meeting, attended by 135 persons.

Col Jack C. Jeffrey, commander of the Granite City Engineer Dept., was guest speaker and compared the economies of the USA and USSR.

**Eating is Here to STAY!**

Regardless of rumors that TV is replacing eating, nothing is going to take its place. We used to hear that scientists were going to rob us of this pleasure by inventing capsules and pills (no aroma here!) Well if we have to put up with eating, let's make it FUN! All jokes aside, it's just about the most important thing we do daily. In a lifetime, a person will eat about 75,000 meals. You can make them more exotic and tastier with spices, garlic, cooking wines, and other condiments. The outdoor barbeque is now the modern summer eating event, especially since we're "different," gay international flavors, eating "round the world! In addition to our regular line of about 90 spices, we've added a gourmet section with such names as "charcoal," Italian seasoning, saute style onion, and gourmet black pepper. Haven't you frequently seen an appealing recipe in a magazine or cook book, but in checking the ingredients you noted one or two "hard-to-find" spices? Next time you drop in one of our stores, check the large spice department. **RALPH PERLEY, Advertising Manager.**

### K. of C. 4th Degree Re-elects Officers

Anthony Mangiaricini was re-elected faithful navigator of the fourth degree, Knights of Columbus Council 1008, during a meeting held last night at the K. of C. home, 2052 Edison avenue.

Also re-elected by acclamation were all other officers, including Andrew Brindick, faithful captain; Jesse Tawney, faithful admiral; Oliver Roderick, faithful pilot; Leo Portell, comptroller; Frank Krause, inner sentinel; and Marvin Boyer, outer sentinel.

Joseph DeHuntz was appointed to a three-year term as trustee of the organization by Mangiaricini.

The fourth degree members will operate a fish and barbecue pork stand in Wilson Park during the July 4th weekend celebration there, it was announced.

### Truck, Auto Collide

The right front fender of the auto of Clarence Mayes, 2209 Elm avenue, was damaged in collision with a transport truck driven by Al Howell, Allen Park Mich., at Main and Kerr streets, Venice, at 3:30 p.m. Wednesday.

### Jaycees To Sponsor Entry In State Tennis Tourney

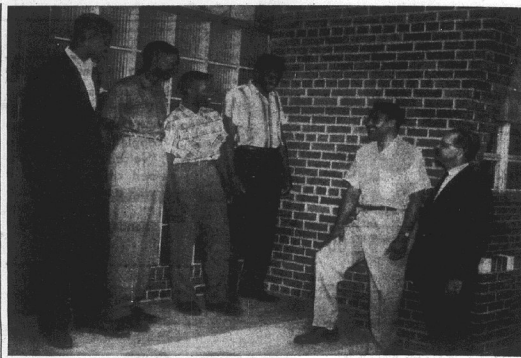

The local Junior of Commerce announced last night that it will sponsor David Moss, Granite City high school tennis player, in the state Jaycee net meet in Peoria next month.

Moss was runner-up in the state high school finals at Champaign earlier this spring. Jaycee President Earl Parsons also said tentative plans for the annual fishing rodeo for youngsters have been made, with Aug. 20 the date set for the contest, which is open to children in Granite City, Madison and Venice.

Twenty members and guests, who met at Cline's restaurant, heard Diver Charles Delpis of Granite City and his assistant, ask Scott describe a recent treasure-hunting expedition in the Caribbean Sea. Delpis, a professional diver, said he plans to return there this fall to continue his search for gold aboard sunken Spanish ships.

### Divorce Granted

Marie Elaine Lasslo was granted a divorce from Walter Lasslo before City Court Judge Fred P. Schuman recently on the grounds of extreme and repeated cruelty. Married June 10, 1951, the couple separated on April 10, 1950. The plaintiff was awarded the custody of three minor children.

SCHOLARSHIP WINNERS are pictured at Lincoln high school with Tom basketball Coach Stanley Lynch (second from left) and Venice Supt. John O. Pier (right) shortly after their departure for Tuskegee Institute in Alabama. The students are (from the left) Marvin Franklin, Eddie Salmond, Eddie Brawley and Peter Brown. Not shown is the fifth scholarship winner, Robert Felton.

### Five Lincoln Graduates Win Full Scholarships

Five May 25 graduates of Lincoln high school in Venice have been awarded four-year full tuition scholarships to attend Tuskegee Institute near Tuskegee, Ala., Venice Supt. John O. Pier announced this week.

The graduates are Marvin Franklin, son of Mr. and Mrs. John Franklin of 1122 Douglas street, Venice; Eddie Salmond, son of Mr. and Mrs. Willie Salmond, 142 Carver street, Eagle Park Acres; Eddie Brawley, son of Mr. and Mrs. Charles Brawley of 205 Dixon road, Venice; Peter Brown, son of Mr. and Mrs. Bayles Brown of 413 Slough road, Venice; and Robert Felton, son of Mr. and Mrs. Alfred Bowens of 109 Slough road, Venice.

The five students left for the school Monday afternoon, where they have obtained jobs on the campus which will pay school tuition under the institute's work-study program.

Selected on the basis of their scholastic ability as shown in transcripts of their high school grades, the five scholarship winners visited the Tuskegee campus shortly after graduation to make scholarship application.

Four of the Lincoln graduates—Franklin, Salmond, Felton and Brown—were regulars on last season's Lincoln high school varsity basketball squad. Brawley was salutatorian of his graduating class.

The scholarship winners will continue to hold on-campus jobs during the school year, and may either finish degree work in

### Accident On Highway

Involved in a collision Tuesday evening on State Route 111 at its junction with U.S. Bypass 66 were autos driven by Larry J. Curtis, 17, of State Park Place, and Richard L. Henne, 31, of Mattoon. State police said both cars were traveling north on Route 111 and the crash occurred when Henne struck the rear of the Curtis auto which was making a left turn into a service station. Riding with Curtis was Harry V. Curtis, 43, also of State Park Place. No injuries were listed.

### Rick's Market, Roca Club Win Teenage Softball Tourney

Bob Hoffek homered and pitched five-hit ball last night as Rick's Market rolled to a 9-2 win over the Bombers in the Granite City park district's Senior Teenage Softball league at Wilson Park.

Roca Club picked up its first win of the season in the other Teenage contest, defeating the Warriors 8-6 despite three home runs in the late innings by the losers.

Rick's Market got to Bomber starter-loser Sarsie Nighobian for 13 hits, while Roca Club collected nine off Warrior hurler Clyde Myers. Bill Fowler was the winning pitcher for Roca Club.

### One Opening For July 4 Weekend Softball Tourney

Two additional teams have entered the Granite City park district's annual July 4th weekend invitational softball tournament. Recreation Director Harold Brown said today, leaving only one vacancy for the four-day tourney.

Na-Bor-Hood Cut Rate Liquors and the Granite City Steel Credit Union are the latest entries. Joining Spangler Oil, Miller and Mickey's and the Ravens of Granite City, Frisco Railroad from St. Louis and Alton's Northsiders in the first round bracket.

The tournament will be played July 1-4 at the Wilson Park softball diamond. There will be a consolation bracket for the losers of first round games, Brown said.

## PADDLERS BOARD MEETS

The third of directors of Pad-dlers, Inc., met Monday evening at the pool, 2121 Johnson road. President, reported that the first week of operation was successful and that he had no doubt the promises to be the best the pool has had.

New membership chairman, Mrs. Donna Hogan, announced that a few members have transferred their stock, and the board will accept the transfers. The membership filled, and the only man who did not transfer his membership was to buy a member's stock.

Paul Morris, vice-president, said that the new water reclamation project is performing satisfactorily and that the new plant was planned for later in the season.

Ernest Krandjeff, vice-president, said that the City Trust and Savings Bank, was a speaker on financial matters pertaining to the pool.

Present were Francis McBride, Miss Dolores Bourisaw, Victor Shanta, Mrs. E. J. Haggard, Mrs. M. L. Calvo, Mrs. Charlie Vunova, Mrs. Eunice Hagler, Dick Pittman, and Keith Parker, pool manager.

## GRADUATE HONORED

Mr. and Mrs. Frederick Hacke 2516 Benton street, entertained with a buffet supper Sunday evening in honor of the graduation Friday evening of their son, Fred, from Granite City high school.

The centerpiece of the buffet table was a large decorated cake picturing a graduate in cap and gown, with red roses used as a border.

Guests at the supper were Fred's grandmother, Mrs. Charles Forester, and grandfather, Max G. Hacke, Mr. and Mrs. M. C. Drury, Miss Vicki Drury, all of DeSoto, Mo., Mr. and Mrs. Tom Graviett, Leland Graviett and Miss Elaine Graviett of Cape Girardeau, Mo., and the two young Henry Hacke sons, Charles and Larry.

Mr. and Mrs. Ron Homyer, 2605 Pontoon road, had weekend visitors from Perrysburg, O. Mrs. James Cooper and children, Richard, Donna and Mark, were houseguests of the Homyers.

## LINDSEY-HAGLER WEDDING

Announcement is being made of the marriage June 10 of Miss Beverly Hagler, daughter of Mr. and Mrs. Clarence Hagler, 2901 Adams, driver, and Mr. Lester Nameky, driver, and Miss Lester Lindsey at the Bethesda Baptist Church. Attendants were Miss Harriet Boker and Larry Withers. A reception was held after the ceremony for 30 guests.

On Monday evening, a shower was given in honor of the bride at the church by her mother, Mrs. Evelyn Hagler and Miss Harriet Boker. Many gifts were received by the newlyweds.

Games were enjoyed and prizes were awarded to Mrs. Minnie Curtis and Miss Sheila Sullivan. Refreshments were served to 45 guests.

VISIT SPRINGFIELD

About 125 Girl Scouts of the Logan school and their guests made a trip to Springfield, Ill., Monday. They toured the capitol, met the lieutenant governor and visited Lincoln's home and tomb and New Salem, Ill.

Mr. and Mrs. Carl Melton and sons, Jim, Richard and Keith, spent their vacation at Tulsa Okla. They were guests of Mrs. Melton's parents, Mr. and Mrs. Bill Hamilton. While there they attended a family reunion. Mr. and Mrs. Leroy Coy and children of Hamilton, Wyo., returned home with them and the Coys left over the weekend for their home.

Mr. and Mrs. Marion Sullivan of Circle drive had as guests Sunday their son and daughter-in-law, Mr. and Mrs. Robert Sullivan and children of South Roxana.

Mr. and Mrs. Arthur Nichols and son, Arthur, of Circle drive spent the weekend at their cabin on the Lake of the Ozarks. Mrs. Nichols remained for an extended visit.

James Harris jr. returned Sunday to the Cincinnati University to attend the summer session. He is the son of Mr. and Mrs. James Harris sr. of Center street.

Mrs. Leon McElroy, 3032 Circle drive, entered St. Elizabeth Hospital Monday and underwent surgery Tuesday.

Randall Allan of Nameoki drive entered St. Elizabeth Hospital Sunday after cutting two fingers with an electric saw.

### Eberhardt Appointed

Ben Eberhardt of Mitchell was appointed assistant maintenance engineer for the county court house, county jail and county home at Edwardsville during a meeting of the county board of supervisors on Monday at Edwardsville. He will assist Raymond E. Jones of Edwardsville, and his salary will be \$250 a month.

## GC Tax Payments

**Now Total \$141,983**

# MORE ABOUT

## Teachers Pay Boost

(Continued from Page 1)

required work has not been finally determined, board members and administrators said.

Huber called an executive session at the close of the meeting, saying that it involved school personnel and there was information to be presented to the board. No immediate action resulted from the session.

A motion was made by Abernethy during the regular meeting to withhold one day's pay from the teachers who did not report and to adjust the pay of those persons, if any, who were erroneously paid. The motion did not affect those with satisfactory excuses, such as emergency leaves. The word "erroneous" referred to the principal's report rather than a clerical error.

There was no immediate second, and Spengler asked, "Will we do this on a full day or half day?"

## Granite City PRESS-RECORD

Page 22 Thurs. June 16, 1960

day?" Abernethy said, "A day of school," and Spengler replied that "the cafeteria weren't open." Kaseberg said the teachers would have been paid for a full day if they had worked. Abernethy said class schedules are held on the final day, with the main activity being distribution of report cards.

### Some Willing To Return

Nothing that the district apparently had enough present to qualify as the 176th day of school, Spengler asked, "If it is a legal day for attendance, do we need a motion?" Worthen asked, "Are they going to come back for another day?" and Dailey reported, "Some of the teachers want to report in for two hours and be paid for it."

Worthen asked, "Is it possible we could lose our state aid?" and the attorney said, "Not because of the teachers not reporting."

Huber said, "We met the state requirements," and Dailey said he had received such assurance from the head office on down."

### Day Canceled By Storm

Spengler questioned why an ex-

tra day of school had not been included in the calendar for such an emergency, and Huber replied, "If we had, they would have done the same thing." Bischoff noted that the calendar had included 177 days, but that school was not held for one day in 1959-60 due to a snow storm.

Abernethy again stated his motion, and Bischoff seconded it after referring to the still unannounced principal and asking, "It's a big secret? Can we say it?" Huber said revelation at the time could "make a serious matter more serious" and said board members would be given the information in an executive session.

On the motion to withhold the day's pay, Bischoff voted for it, Spengler passed, Worthen opposed the motion and Abernethy, Kaseberg and Huber supported it. Spengler then said he was abstaining from voting.

### Urges Release Of Checks

"There is no use making a bad situation worse," Worthen then told the board. "I think we should consider going ahead on the verbal information we received from the state and pay them. I can see nothing to be gained by holding back the checks."

Huber replied that the board could not legally take such action and asked Supt. Harold M. Kaiser and Administrative Assistant Victor Anderson to explain steps necessary to complete the payroll.

The vote was 6-0 on issuing the payroll checks as modified by the one day, upon receipt of written confirmation from the state department of public instruction.

### Statements By Board Members

Statements placed in the minutes by the two board members voting against the salary motion were as follows:

Secretary Howard Kaseberg: Although the proposal as presented confronts the district and this board as its representative with an increased cost of operation which can, I believe, be ill-afforded at this time, I am not in disagreement with the terms of said proposal as such, for I feel that the teachers needed and deserve the raise contained therein.

"However, I believe the actions and pressure tactics used by the federation in their negotiations were unwarranted and lowered the esteem and respect of the community for the teaching profession."

"Likewise, this board by yielding to the pressures would lower itself to some degree in the eyes of our citizens. For these reasons, I shall vote no to the proposal."

Board Member Herbert Bischoff: "I am not opposed to organized labor or to the teachers' federation. The teacher organization can be useful for peaceful negotiations for better salaries for the school district's personnel."

"I believe that the board's offer of 4% for 1960-61 and 3% for 1961-62 was a fair offer, and all the district could afford. The debt of the district is over \$1,000,000. Our assessed valuation per pupil is \$14,184. There are 11 districts in the area that are assessed as high as \$43,038 per pupil; we are at the bottom of that list. In spite of this, we have had for the past three years one of the best pay schedules in the state of Illinois."

"I object to the teacher committee on wage and policy ordering picketing of schools while the teachers were still under contract, their contracts not completed until July 1. Wage negotiations were not deadlocked. Also, \$1,250,000 in state aid was put in jeopardy, without which it would be difficult to pay salaries."

## Mrs. Spriggs, Former Resident, Succumbs

Mrs. Lois Spriggs, 62, a former Granite City resident, was brought in state to Madison for funeral services after her death Monday, June 13, at the Bakerfield Hospital in Bakerfield, Calif.

Born in Hardin, Ill., Mrs. Spriggs lived in Granite City for 12 years. She was a member of the Bakerfield Church of God, and was preceded in death by her husband, Lloyd Spriggs, in 1957.

She is survived by two sons, Floyd Spriggs of Bakerfield and Gilbert Spriggs of St. Louis; three daughters, Mrs. Blaine (Elsie) Guinn of Bakerfield, Mrs. John (Virginia) Studards of Steelville, Mo., and Miss Beverly Spriggs of St. Louis; a brother, Howard Gilbert; two sisters, Mrs. Nadia Stiles of Ohio and Mrs. Blanche Van Gunten of Michigan; 12 grandchildren and two great-grandchildren.

Funeral arrangements are given in the obituary column.

## Venice Township Tax Collection Office Open

The Venice Township tax collection office is open, but no payments have been received as yet. It was reported today by Collector Frank Reidelberger Jr.

The office is located at 1437 Third street, Madison, the same address as last year, and the hours are 9 a.m. to 3 p.m. Monday through Friday. The closing date has not yet been determined.

Tax bills have been mailed, and persons wishing to avoid going to the collection office may mail their payments to him at 1437 Third, Madison, or his home at 1240 Klein street, Venice, Reidelberger said.

aries, much less grant increases. "Last but not least, I resent an anathema of the inconceivable, uncertainty and confusion caused to the graduating class and their parents on a day looked forward to for 12 long years."

## Albert Hicks, 61, Dies After Long Illness

Albert Hicks, 61, of 4080 Central lane, a Granite City resident for 10 years, died today at 2:30 a.m. at Barnes Hospital, St. Louis. He had been ill for six months.

A native of Nameoki, Mr. Hicks was for nine years a laborer in the open hearth department of Granite City Steel Co.

He is survived by his wife, Mrs. Virginia Hicks, two sons, Norman and James Hicks of Granite City; two daughters, Mrs. Alberta Dickinson of Manchester, Mo., and Mrs. Elizabeth Robins of St. Louis; two brothers, Louis Hicks of Summersdale, Ill. and John Hicks of St. Louis; three sisters, Mrs. Effie Debeaux of Cuba, Mo., Mrs. Hazel Stroud and Mrs. Lala George, both of St. Louis; and four grandchildren.

Funeral arrangements are given in the obituary column.

## Eighth Session Monday On Practical Politics

The eighth and possibly final workshop session of the Tri-Cities Chamber of Commerce executive course in practical politics will be held at 7:30 a.m. Monday at the C of C conference room. Topic will be "County, City and State Governmental Organizations," and John J. McElroy again will serve as moderator for reports and discussions.

The group will decide Monday whether to schedule a ninth meeting, at which area political leaders would be invited to speak.

## 121 Dogs Inoculated During Rabies Clinic

Rabies inoculations were administered to 121 dogs owned by Granite Cityans yesterday during a clinic conducted at the city garage between the hours of 7:30 and 9 p.m.

The clinic session will not be repeated, according to Dr. L. H. Holt, who administered the vaccinations. Inoculations must be obtained before residents may obtain city dog licenses for their pets.

## Report Cards, Locks, Yearbooks At GCHS

Completing the schedule announced early this week, report cards will be issued from 9 a.m. to 4 p.m. tomorrow to high school students in the GCHS auditorium. Cards were given out Tuesday and yesterday at grade schools and yesterday at high schools.

Yearbooks are to be given out from 9 a.m. to noon Friday in Room 227 at GCHS. It was also announced today that high school students who have not yet removed their locks from locker doors should do so this week. Those not taken off are removed during the summer so that lockers can be assigned in the fall.

## Found In Weeds, Jailed

A man found lying in weeds near the Hyman-Michael Co. fence in Venice was arrested at 11:38 p.m. Tuesday and lodged in jail, being released today with instructions by Venice police to return to his home in East St. Louis.

## Erroneous Address

An erroneous address was listed in an arrest story in Monday's issue. One of two men arrested on disturbance charges in the 1700 block of Delmar avenue, gave his address as 1726 Delmar avenue, which was in error.

## Band, Grade School Registration Extended

Summer school registration has been extended through Monday for elementary pupils and band students, it was announced today. Other sections of the Granite City school system program are full.

Registration Monday totaled 227 students for 385 classes at the high school; 39 in remedial grade school classes at Nameoki and Nidderhous; 16 in speech correction classes; 24 in high school driver education, consisting of eight each on June 14-23, June 30-July 15 and July 18-August 2; and 348 in band classes, including 93 at McKinley, 90 at the high school, 87 at Nameoki and 78 at Coolidge junior high.

## Supper Meeting For Scout Leaders, Wives

Thirty scouts and wives from Unish Boy Scout district troops held a pot luck supper last night at St. John United Church of Christ. Commissioner Elmer Eckert presided, and the program included a "show mixer" game led by Pete Carich and a "husbands' quiz" led by Louis Lauder.

Ted Scrum and Leo Holbrook, leaders of Troops 11 and 12, received national program awards, and slides of the recent scouting fair in Venice and a Lincoln pilgrimage to Springfield were shown. The next meeting was set for July 13 at Sacred Heart Catholic Church.

### HONORED AT SHOWER

Mrs. Betty Lindsey was complimented with a stork shower Sunday at the Kirkpatrick Homes recreation hall, given by Mrs. Beatrice Trebing and Mrs. Lois Harp.

The decorations were in pink and white, and a large decorated umbrella centered the gift table. Games were played and prizes were awarded.

Refreshments were served to Mesdames Ella McDowell, Lettie Lassen, Geneva Kopchak, DeLoren Thompson, Marie Conaway, Singer, Chris, Shielia, Edith Dominick, Betty Yokobot and daughter Kathie, Ray Lee Trebing, Marilyn Trebing, Leona McCoy, Irene McCaslin, Regina Jackson, Mary Ellen Melcamp and Mrs. Hickson. The honoree received many gifts.

### FIFTH BIRTHDAY

Eddie Monroe celebrated his fifth birthday Sunday with a party given by his parents, Mr. and Mrs. Donald Myers, 4112 Division street. A sheet cake decorated with cowboys centered the table.

Games were played and prizes were awarded. Refreshments were served to Jim Monroe, Marie Monroe, Edith Monroe, John D. Monroe, Robin Karius, William Karius, Kathie Monroe, Jimmy Gene Monroe, Johnny Monroe, Danny Monroe, Joyce Myers, Connie Means, Diane Means, Larry Means, William Dowdy, Butch Holman, Sydney Snipes and Elaine Thompson. The honoree received many gifts.

### BIRTHDAY BARBECUE

Mrs. Mary Hodshire, 3829 B street, celebrated her birthday Sunday evening with a barbecue. A large cake with candles centered the table. Guests present were Mr. and Mrs. John Garrett, Mr. and Mrs. Charles Kennerly and children, Charlene and Edie, and James Hodshire. The honoree received many gifts.

### PLAN BIBLE SCHOOL

Cedar View General Baptist Church will hold a daily vacation Bible school June 20 through July 1. The theme of the Bible school is "Pioneers for Christ." A program will be held June 30, and a cookout will be held for children on Friday morning. A parade and registration will be held Saturday afternoon.

The Herald of Cedar View General Baptist Church met Monday evening at the church. The opening was given by June Carr. After group singing of choruses, a discussion was held on Africa.

The children made flower boxes for Father's Day. During the social hour, refreshments were served to the children and they played African games. Those present were Ruth and Sandra Barton, Sue Ann Walsh, Monica Pithers, Johnny Pithers, Mike and Patty Bayes and Debbie Honnell.

The Canasta club met Monday night at the home of Mrs. Olive Conaway. Prizes went to Mrs. Juanita Spence and Mrs. Martha Anderson, with Mrs. Evelyn Smith also present. Refreshments were served by the hostess.

The club will meet in two weeks at the home of Mrs. Smith on Lincoln avenue.

Morris C. Kennerly and Richard Scarborough of Murray, Ky., left Sunday after spending the weekend visiting Mr. and Mrs. Ede Kennerly, Mr. and Mrs. Joe Kennerly and children, Allen, Barbara and Kathie, and Mr. and Mrs. Charles Kennerly and children, Charlene and Edie.

Mr. and Mrs. James Hodshire, 3829 B street, returned home Sunday morning from a week's vacation at Ave. Ill. and Aurora, Ill. Where they visited his father, Oscar Hodshire, and other friends. They were joined by Mr. and Mrs. Lee Epperson for a few days.

Rev. James Black, now pastor of the Cedar View General Baptist Church, and his family, left Monday morning for Camp Allen, Mo., where they will work in the youth camp for the next two weeks.

### Mrs. Dant Nominated For Welfare Committee

Mrs. Ida Dant of Madison was nominated for another term on the Madison County Department of Welfare's Services committee by the county board of supervisors during a meeting Monday in Edwardsville. Also renominated were Rev. Frederick J. McCarthy, assistant pastor of St. Mary's Church in Edwardsville, and Mrs. Irene Harrell of Edwardsville.

Their present terms expire June 30. Compensation of \$20 per day and 7½ cents a mile was fixed by the board for members of the county board of review.

### Minor Fire Alarm

A motor on an automatic clothes drier was damaged due to a short circuit in the wiring about 6:15 p.m. Wednesday at the home of H. E. Ralls, 3040 Paxton avenue. Firemen from the Nameoki road station answered the alarm. No estimate was made of the loss.

# Funeral Services Held For Jack Taylor Of Troy

Funeral services were held Wednesday at Collinsville for Jack Taylor, 51, of Troy, a mill roller helper at the local National Lead Co. plant, who died suddenly Sunday at his home, apparently of a heart attack. Taylor, who lived in Maryville for 18 years before moving to Troy about two years ago, was a native of Stewart county, Tenn. Among survivors are his wife, Ollie Mae; a son and daughter, Interment was in Lake View Memorial Gardens, Belleville.

# Coopers Announcing Arrival Of Son

Mr. and Mrs. Donald O. Cooper, 4017 Maryville road, are announcing the arrival of a son, their third child, who was born June 8 at St. John's Hospital, St. Louis. The new arrival weighed seven pounds and has been named Guy Michael. Cooper is employed at the A. O. Smith Corp. plant. His wife is the former Miss Mary Jane Hutt. Their other children are Patricia Marie, four years old, and Donald Owen Jr., 14 months old.

# \$14,127,521 First-Quarter Buying, \$1,114,263 Increase

Quad-City purchasing totaled \$5,088,426 in March, compared to \$4,581,188 in March 1959 and \$3,448,593 in March 1958, records of the Illinois Department of Revenue showed today. In every month tabulated so far this year, the total has run higher than for similar months one and two years ago. February's \$4,576,064 exceeded the \$4,149,966 buying in February 1959 and \$3,847,616 in February 1958, and January's \$4,483,031 topped the \$4,282,103 in January 1959 and \$4,333,304 in January 1958.

The March 1960 tabulation of \$5,088,426 consists of \$4,072,748 buying in Granite City, \$723,789 in Madison, \$227,917 in Venice and \$43,971 in Mitchell. A breakdown of the Quad-City total for March shows \$1,640,547 spent for food, \$975,302 by wholesalers and manufacturers, \$616,943 automotive buying, \$484,330 spent at drinking and eating places, \$312,237 at filling stations, \$275,762 general merchandise, \$192,771 lumber, building and hardware supplies, \$175,538 apparel, \$155,063 furniture, household goods and radios and \$246,480 all other. A similar listing for local cities follows: Granite City — \$244,258 general, \$127,160 food, \$301,400 drinking and eating, \$170,638 apparel, \$119,916 furniture, \$115,156 lumber, \$573,005 automotive, \$243,274 stations, \$885,280 manufacturers and \$178,658 other.

Mrs. J. Patrick Busch, 1615 Clark avenue, is reporting the loss of a diamond solitaire in a gold-metal box, about three inches long and two inches wide. Mrs. Busch, who said the woman's white platinum ring with a half-carat diamond, is a family keepsake. It is normally kept in a bank safety deposit box, but Mrs. Busch said she might have removed it from the box sometime ago. The discovery that the ring was missing was made this week.

### Draft Stevenson Petitions To Be Circulated Here

Raymond Shaw of 1617 Moro avenue was named Tri-County chairman of the "Draft Stevenson" committee during a Madison-St. Clair counties meeting Monday evening at Collinsville. The meeting, during which petitions were distributed, was attended by a number of local residents. Local attorney, George Moran, was among those speaking. Total attendance was about 100.

Shaw, a Union Electric Co. employee at East St. Louis, will be in charge of the circulating of "Draft Stevenson" petitions in the local area. The petitions are to be given to delegates to the national Democratic convention.

A headquarters for St. Clair county is being set up in East St. Louis, and another may be set up in Granite City.

### County's Income From Sales Tax Passes \$60,000

Madison county ranked seventh again in March on county tax income from unincorporated area sales, a monthly tabulation showed today.

The March figure of \$11,923 for Madison county was exceeded by \$45,116 in DuPage county, \$3,995 in Cook, \$18,891 in Peoria, \$14,281 in Will, \$12,355 in St. Clair and \$12,023 in Lake.

The sixth and largest monthly installment, the \$11,923 payment increases to \$80,216, the amount forwarded to Madison county from the half-cent sales tax.

Previous receipts were \$10,150 for October 1959, \$9,948 for November, \$9,460 for December \$8,895 for January and \$9,837 for February.

The Madison county government has allocated 60% of the sales tax income for construction of a juvenile home, 20% for repairs to the county courthouse and 20% for improvement of the county jail.

### Wet Pavement Causes Crash On Madison Ave

Involved in a minor accident on Madison avenue at 22nd street Monday afternoon were an auto driven by August Johannmeier, 79, of 2541 Delmar avenue, and a taxicab operated by John Thomas Brown, 48, of 840 Niedringhaus avenue.

Police said both vehicles were traveling north and when the taxi stopped to make a left turn onto 22nd street, the Johannmeier auto skidded on the wet pavement into the rear of the cab. No injuries were listed, and police said there was no damage to the cars.

## Home Builders Group Points Out Major Problems of '60's

(This is the first of a series of three articles written by M. J. Wolfe, local contractor and president of the Home Builders Association of Southern Illinois, to outline the problems of planning and community growth. Wolfe said he recently attended national and state meetings to obtain the material presented in the articles.)

"One of the major problems facing the nation and its people as we move into the decade of the '60's is that of land and orderly community development.

"Some years ago the National Association of Home Builders, of which Home Builders Association of Southern Illinois is an affiliate, identified this problem in one form or another—in the form of higher land costs, in the difficulty of getting satisfactory sites, in getting building permits in towns that didn't want any new houses because they claimed they didn't have sufficient people to handle children already there.

There are two major reasons why the home building industry is interested in the problem of growth. First, it hits their interest as citizens in the towns in which they live.

"Secondly, it affects them as businessmen. And when it affects them as businessmen it affects the business of countless other industries in their communities which rely on a healthy home building industry for their own prosperity.

"Builders realize that unless something is done to bring metropolitan development in line with the problems of the 20th Century, there will not be any land on which they can build.

"Perhaps the best known aspect of the problem to the builder is in the increased cost of the land and the security of land suitable for development. Land prices have increased in the past five years more than any other item in the price of the house and probably more than all the rest of the cost increases put together.

"The ingenuity and efficiency of the home builder have

been sorely taxed as he has continued to build a better home and still hold the price line.

"A poet once said that God made the country and man made the town. We are now running into problems where the line between country and town is disappearing. Our cities have exploded. The old forms of local government are inadequate. We are developing a regional urban society of vast extent with upwards of 600-mile long cities.

"This is the nub of our growth problem. The renewal of the central city is another. The home building industry is aware of the tremendous problems that face it and the people of our country. It is also aware that these problems go beyond the scope of any single industry.

"There has been some criticism of the home building industry by planners that the industry has not developed adequate standards that will result in the communities that Americans want.

"This is a pretty broad indictment, but it would have more logic and force if there were agreements among all planner groups—highway planners, city planners, school planners, and house planners—as to what should be. But too often there is no such agreement.

"Highways, and the development of the broad new belts, are creating some of the more serious problems for community planners. For planners to assume that land use and land development around these new highways can be guided by non-existent plans is dangerous guessing.

"The population figures suggest that we will add 50 million or more people by 1975 to this country of ours and that most of these people will be added to the population of our present metropolitan areas. No matter how well builders think of themselves or how badly their worst critics do, it is evident that builders, by themselves, could not create this population explosion.

"These people are going to be housed—somehow.

"It is well for all of our people to think clearly and plan intelligently for the future. The home builders are ready to do their part."

### Treatment Monday To 3 Victims of Falls

Falls caused three injuries requiring emergency treatment Monday at St. Elizabeth Hospital.

Virginia O'Beir, 32, of 2010 Thirteenth street required seven stitches to close a cut to her left leg received when she fell over a toy in her home. Danny Dugan, 3, son of Clarence Dugan, 2045 Fourteenth street, was cut on the right big toe in a fall and needed four stitches to close it.

Edna Bickel, 53, of 2305 Cleveland blvd., received a fractured wrist when she fell on a sidewalk. Others given emergency treatment were Robert Homan, 26, of 2145 Miracle avenue for a saw cut on the left first finger which fractured the finger tip and needed four stitches to close; and Jo Ann Graklanoff, daughter of Mr. and Mrs. Joseph Graklanoff, 1013 Madison avenue, for an infection on the lip step of her left foot.

### Traffic Accident

Rabbi Bernard Lipnick, 34, of University City, Mo., who was involved in a minor accident in the 1900 block of Madison avenue Tuesday afternoon was charged by Granite City police with operating a motor vehicle with an expired driver's license. He was freed on \$16 cash bail. Police said his auto and another driven by Arthur Westphal, 2100 Waterman avenue, were traveling south when the accident occurred. Damage to the vehicles was slight.

### Committees Named By Granite City Rotary

Committee appointments for the coming fiscal year were announced at Tuesday's luncheon meeting of the Granite City Rotary Club by president-elect Ben Malberry.

The following chairmen were named:

Budget and Finance—Homer Baker; Auditing—Al Froemel; Club Service—Glen Ahern; Community Service—Rev. David Maxton; Scholarships and Awards—E. A. Karandjoff; Youth—Eugene Coe; Vocational Service—G. W. Hoelker; Four-Way Test—Edw. Meng; International Service—Dr. Harold Kaiser.

Attendance—Harlan Dobry; Classification—A. H. Gehlert; Club Bulletin—E. D. Kincaid; Fellowship—Harold Thomas; Magazine—A. C. Stover; Membership—E. A. Karandjoff; Program—Dan Houser; Public Information—C. E. Townsend; Rotary Information—Rev. Verne Burnett; Music—E. G. Schmitt and Al Froemel; Social—Arthur Kayser; Food—Sidney Ambrose; Sports—William Hoedebecke; Horse Show—B. E. Moody.

A sound movie, "The Road To Better Living" was viewed by the Rotarians. It showed the role and the importance of mortgage banking in the progress of this nation through providing funds and leadership to build homes, industries and commercial structures.

Announcement was made that the annual installation of Rotary officers will be held Wednesday, June 29, at the Carriage House in Belleville.

### ASC Says Farmers Have Need To Control Weeds

Farmers with conservation reserves contracts have a responsibility to themselves and to their neighbors to control the spread of harmful weeds according to Earl P. Reid, ASC Office Manager of Madison county. Failure to comply with this soil bank regulation could result in forfeiture of the total conservation reserve payment for this year.

Under average conditions one acre of annual weeds and chemicals will provide adequate control. However, the wide range in maturity dates of different species will sometimes require attention more than once. Each farmer will be expected to use recommended control measures at the proper time.

Weeds can prevent the establishment of desirable cover: on conservation reserve land as well as reduce crop yields on nearby cultivated fields. The use of modern equipment and new herbicides provides little excuse for tolerating this profit reducing menace.

Mowing and other control measures should be delayed as late as possible to prevent destruction of protective cover until after the nesting season. The cover now being developed on conservation reserve areas is expected to increase the game population in Illinois. This aspect of the soil bank program must not be hindered by unnecessary or untimely control measures.

The following is the list of weeds which the County ASC committee has decided must be controlled on conservation reserve areas: Canada Thistle, Field Bindweed, Russian Knapweed, Cocklebur, Perennial Sow Thistle, Leafy Spurge, Hoary Cress and Johnson Grass.

### County Board Plans New Meeting Room

A \$25,000 fund to renovate a portion of the courthouse basement for a future meeting room for the county board of supervisors was established Monday during a meeting of the county board at Edwardsville.

The board has used the large room at the southeast corner of the courthouse first floor for a meeting place for more than a quarter of a century, and under the proposed plan, the meeting place will be changed some time in the future when the quarters are completed.

An Edwardsville architect was authorized by resolution to proceed with working drawings and specifications for the basement meeting room plan, and the Courthouse committee also was empowered by resolution to accept the low bid submitted when proposals are received by the county auditor for renovating the courthouse basement.

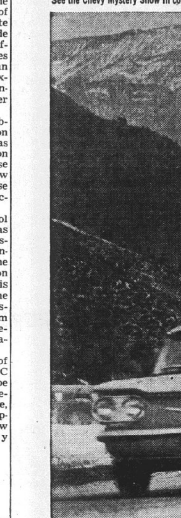

The committee chairman, Clifford Krug of Godfrey, explained that a plan has been proposed to use the present board of supervisors room for additional quarters for the county clerk's office. It is hoped to work out a plan to provide a third circuit courtroom, he added.

### VISITING HUSBAND IN SAN DIEGO

Mrs. Betty Ruth Sullivan, 1924 Benton street, left Wednesday by jet plane for San Diego, Calif., to visit her husband, a Seaman Joseph R. Sullivan, who will leave soon for a five-month cruise to Japan and other places. He is a son of Mrs. Vera Sullivan, 2805 Oregon avenue.

After spending a month with her husband, Mrs. Sullivan, a June graduate of the Granite City high school, will visit an uncle and aunt, Mr. and Mrs. Harold Henderson, in Fontana, Calif., before returning here to reside with her parents, Mr. and Mrs. Charles Ishum, 1924 Benton street, while her husband is in service. He will return to the United States in December.

**LEAVING FOR TOUR OF EUROPE**

Miss Barbara Buente, a daughter of Mr. and Mrs. A. P. Buente, will graduate Saturday from the University of Illinois and the following day will sail from New York aboard the SS. Waterman for a tour of Holland, France, Italy, Switzerland, England and Germany. She will be accompanied by college students from all parts of the country and the party will be away until Aug. 22.

The programs are arranged by students for students, and are escorted by European guides who are foreign university students or professors familiar with their country's art, history and music.

### RURAL YOUTH GROUP PLANS EXCURSION

Plans have been made by the Madison County Rural Youth for a river trip on the Adirondack Sunday, June 19, and all Rural Youth and their guests will meet at the boat at 8 p.m.

The group will also sponsor a picnic in July, the date and place to be announced later. A Council meeting will be held Friday at the Farm Bureau building in Edwardsville, and a "Tattler" meeting will be held June 27 at the home of Barbara Zoller.

The next regular meeting will be held 8:30 p.m. July 5 at the fire house in Alhambra. The program will consist of a safety demonstration by the Alhambra firemen.

### LEAVES FOR GERMANY

Miss Mary Frances Lynch, 2248 Benton street, accompanied by relatives from Springfield, Ill., left early this week for Europe. She will visit her brother, Major James Lynch, and family, in Germany and spend some time on tours to various countries.

"I like people and want all the folks here and in nearby towns to come in and get acquainted. You'll like me — and I've got plenty of cash for you, any amount from \$10.00 to \$500.00 with payments to suit your income.

"If you wish, try a 'Get-Acquainted Loan' of \$100.00. Walk out with the cash in your pockets in 10 minutes. If your car payments or other payments are too high, I'll try to cut them in half and advance you additional money besides, or pay up your bills, make your payments smaller—have only one place to pay. Phone first, if you wish. Easy as A-B-C. Just call up, tell me the amount you need, then stop by for the money. Ask for me — Harvey Miller, Reliable Loan Corp., 1409 19th street, Granite City, Ill. ## Rebecca Circle Of WSCS Meets At Church

The Rebecca Circle of the Woman's Society of Christian Service held a general meeting Tuesday evening at the church. Approximately 50 were present.

Mrs. Elsie Henley, president, was in charge, and devotions and the program were given by Mrs. Pearl Campbell, Mrs. Mildred Cundiff, Mrs. Eva Evans and Mrs. Augusta Pender, accompanied at the piano by Mrs. Edith Sobell.

Mrs. Winifred Reimers and Mrs. Mary Rouland entertained the group with slides of the Chicago Methodist Temple, the sky chapel at the Temple, and the ground breaking ceremony for the educational building of the local church.

During the business session, presided over by Mrs. Henley, announcement was made of a sub-district meeting of the WSCS to be held at the Namoki Methodist Church June 24 and Mrs. Lois Lester reported the progress of the redecoration of the ladies' lounge in the office building, a project of the WSCS.

After the meeting the Dorcas Circle served punch, cookies and mints from a tea table decorated with garden flowers. Mrs. Verna Willtrout, leader of the Circle, was assisted by Mesdames Laverne Chapman, Pauline Luschig, Ruth Johnston, Amy Prussman, Esther Cann, Dora Grafford and Miss Clarice Campbell.

The members spent today at the church making hospital gowns for refugees.

## Briggs Looks For Seventh Straight Win In Tavern Softball Loop Sunday

Surprising Briggs Tavern, winner of six straight in the slow pitch, no-bunt, no-steal Sunday morning Tavern Softball league, will put its perfect record on the line against seventh place (2-4) Home of the Blues Sunday in the loop's top attraction at the Wilson Park softball diamond.

Another important game on tap in the 10-team league is a battle between second-place Sportsman's Club and Green Hall with the latter club currently riding along in a three-way tie for third place.

Sportsman's Club remains within easy striking distance of the league leaders, having lost only one game, and could move back into a tie for first place with a win, provided Home of the Blues can upset Briggs.

All teams in the league, including the other clubs tied for third place — Green Hall and Dick & Edith's will see action Sunday.

A soda water distributing company has added a bit of interest to league competition by announcing that an "outstanding player" from each of the winning teams each Sunday will be selected and awarded a case of soda.

## Skysteelers Schedule All-Day Model Plane Meet Sunday At Wilson Park

The Tri-City Skysteelers model airplane club will host its first flying meet of the season Sunday in Wilson Park when it sponsors the Mississippi Valley championship contest.

Between 70 and 80 participants are expected here for the flying meet, according to contest director Paul Morris of the Skysteelers. They will include complete clubs from four out-of-town model airplane organizations, individual competitors and members of the Skysteelers organization.

Fifteen trophies will be awarded in five classes of competition — combat, "rat-racing," prototype, flying scale and stunt — at approximately 5:30 p.m. Sunday by Granite City Mayor Leonard Davis.

Begin At 10 a.m.

Competition will begin at 10 a.m. Sunday and continue until late afternoon. Morris said spectators will have the opportunity to see some type of model plane in flight at almost any time during the day, while a special area

is to be roped off for display of flying scale models.

The contest area, which will contain three individual contest flying rings, is located at the eastern end of Wilson Park, near the junction of State street and Fehling road, and behind the Niedringhaus school building.

Due to the large registration of contestants expected, most events will include preliminary elimination contests. The registration deadline for entry in any of the contests will be noon Sunday.

In the combat flying class, two planes, with attached ribbons, will meet in each of the elimination matches. Object is to slip off the ribbon on the opposing plane—before the same can be accomplished by the contestant's opponent. The contest will continue until only two finalists are left. They will in turn stage the championship combat contest.

The rat-racing event will pit four planes against each other in each of the preliminary eliminations. The planes, all flying at the same time, must complete 35 laps on the control line, with at least one refueling stop. Each contestant will be timed by stop watch, with the winner of each heat advancing until he reaches the finals, which will be 70 laps.

Scale Class

One of the most interesting classes from the spectators' viewpoint will be the flying scale models, Morris said. Scale replicas of actual aircraft, the en-

### Williams To Play In North-South Prep Cage Classic July 16

Rich Williams, who last week announced plans to attend Bradley University in Peoria, will participate in the revived annual North-South prep all-star basketball game, which will be played in Champaign on July 16.

Williams will be a member of the all-senior graduate South team, together with another area high school basketball great, East St. Louis' Don Brooks, and Herrin's Gene Turner. The other members of the South team have not yet been named.

The South squad will be coached by James "Barney" Oldfield, for the past three years head basketball coach at McKendree College, Lebanon.

Tutoring the North squad will be Spin Salaris, who led Marshall of Chicago to the state championship in 1958 and 1960.

Members of the North team who have been selected include George Wilson of Marshall and Bumpy Nixon of Galesburg. Once the rosters of both teams have been completed, they will begin running through two drills each day in preparation for the classic, which is being revived this summer after a 13-year absence.

The game is scheduled as a part of the city's centennial celebration, and will be played in the Urbana Armory.

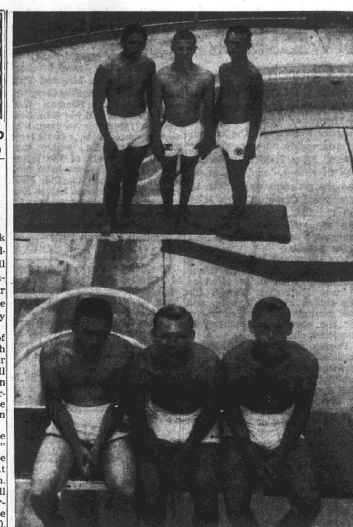

Pat Summerville of the New York Giants kicked 20 field goals in 29 attempts last season.

tries will be examined by a team of judges for accuracy of scale and detail while on the ground, and then must complete 10 laps in the air.

The prototype class will draw planes which are prototypes of actual aircraft, but are built essentially for speed. In competition, they will fly a measured mile under a stop watch, reaching speeds of 135 miles per hour and averaging about 125 mph.

In the stunt class, builders or flyers put models especially constructed for this purpose through a set pattern of maneuvers, while judges will award points for smoothness of performance and accuracy of maneuver.

Morris said contest officials will not wait until one class has finished its competition, but will run the events consecutively, furnishing spectators with an almost constant parade of control line model airplanes in the air.

READY FOR SUMMER SEASON at the Wilson Park swimming pool are these six regular lifeguards, who will shore duties during the daily 1 to 9 p.m. swimming hours. Seated (left to right) Jack Ritchie, Glen Cornelison and Jim Koser. Standing are (left to right) Paul Gitchco, Jim Alsop and Pete Wittinger.

## Suburban 4-2 Winner Over Calvary Team

Suburban Baptist banged out 11 hits, including three doubles and a triple, in defeating Calvary Baptist 4-2 in a Baptist softball league encounter Tuesday night at Lee Park in Venice.

# Hearts Need Victory At Carpenter; Mercer Plays Host To White City

A couple of the teams in the Southwestern Illinois Inter-City Baseball League will be getting their next-to-last look at one another during the regular season Sunday afternoon at the unofficial second go-round gets underway in the loop.

In the sometimes difficult to decipher I-C schedule, where all teams meet each other at least three times and some play a fourth game, Mercer Funeral Home will be at home in Wilson Park to White City, while Granite City Sacred Heart is on the road, playing in Carpenter.

A 6-1 winner over Carpenter in the second week of the season, the Hearts were given something to mull over last Sunday when their opponents of this weekend cut down Maryville 21-1. Carpenter's 21 taller stand as the biggest scoring barrage laid down in the league thus far this season.

The fact that the Hearts were dropping a pair of games to McMacinn Buick of Collinsville, did not contribute to the brightness of the picture for fans here, either.

Lyman Tucker's crew finished the week with a 5-2 record after entering a Saturday night game at Fletcher field in Collinsville as the last undefeated team in either the Red or Blue division. Both the Buickmen and State Savings and Loan of East St. Louis grabbed all the marbles in weekend competition, with a three-way tie for first place in the Red division the result after the Hearts had set the early pace.

**Hearts Need A Victory**  
The Hearts probably will have to win Sunday to maintain even a tie for first place. State Savings meets Maryville, a team it measured by a 5-2 count earlier, while McMacinn plays at Highland, where it will seek to repeat an earlier victory over the VFW aggregation, 16-2.

Mercer, whose position a week ago appeared less favorable than did that of the Hearts, got over a big hurdle by beating defending champion McMacinn 10-1 in the Blue division, will engage Troy's Redbirds in 10 innings, and will be looking for victory No. two over White City at Wilson Park. The Dick Portell-Ollie Miller outfit romped in earlier against White City, 15-3.

**Disappointed With Lighting**  
Meanwhile, back in Granite City, Heart Manager Tucker left no doubt in anyone's mind that he was dissatisfied with the lighting conditions at Fletcher field in Collinsville, only illuminated diamond in the league.

After his outfielders lost three routine flyballs "in the dark" during the Hearts' 6-0 loss to McMacinn last Saturday, Tucker said he plans to bring the matter up at the next Inter-City league meeting. Tucker frankly said he does not want to play again on the diamond at night.

Mercer is the next local team which has a night game date at the Collinsville layout. The game is set for Saturday, June 25, at 8 p.m.

Bob Page, loser of that night game in Collinsville which also drew considerable attention as the result of a showing session between Heart First-Baseman Paul Schuler and Base Umpire Al Cattani of Collinsville after three calls at first base had been hotly contested by either the Hearts or McMacinn — will probably hurt Sunday against Carpenter.

**Careless Driving Charges**  
Two motorists were arrested Monday afternoon on Nameoki road by Granite City police and charged with careless driving. They were Mary E. Brothers, 26, of 2006 Madison avenue, and Carter Knipping, 16, of 1612 Primrose avenue, who posted \$11 cash bonds.

**INTER-CITY NOTES**

Charles "Jojo" Johannigmeier, Mercer outfielder, currently leads in the Inter-City batting race with a .571 average, statistics compiled by league Statistician Carl Wallen of Madison show. In five games (not including last Sunday's encounter with McMacinn Glass) Johannigmeier has 12 hits in 21 trips to the plate.

Other Mercer and Sacred Heart players among the top ten batters are John Modrusis (.524), Andy Angeloff (.500), Don Crabtree (.481) and Howard Etherton (.450).

Ivan Eby has replaced Bob Martinot as manager of the Carpenter club in the Blue division. Carpenter won its second game of the season under new pilot Eby Sunday and now has a 2-5 record.

Among Granite Cityans who have signed to play with out-of-town Inter-City clubs during the past week are Roy Logan (with Highland) and Don Dillard (with Maryville).

The next meeting of Inter-City league officials, managers and their wives will be held in Highland on Friday, July 1. It will be an outdoor picnic.

**Lucco Steps Down As Edwardsville Cage Coach**  
Joe Lucco, head basketball coach at Edwardsville high school since 1944, resigned during a meeting of the Edwardsville board of education Monday night to become assistant principal and dean of boys at the high school.

Lucco, who at one time or another in the past 16 years has head coach of the EHS baseball, track, football and cross-country teams, will retain the position of athletic director at the high school, and will also serve in that position in the city's junior high schools.

No successor to the Southwestern Conference coach has been named, but the school board is expected to make such an announcement by July 1. Among those considered for the vacant position is Dick Hutton, who has been Lucco's assistant for the past 10 years.

## TELEPHONE TALK

by R. A. Pelster, Manager, Granite City, Illinois

### 5 MILLION TELEPHONE CALLS IN ONE MONTH

During the month of April 5,183,023 calls were made through our central switching office in the Quad-Cities. This was the first time that the total number of calls for one month exceeded 5 million.

Just four years ago, in the early part of 1956, total calls were averaging approximately 4 million per month. This increase of 1 million calls per month over a four year period is a real indication of the increasing tempo of activity in our rapidly growing community.

We are mighty happy to see such good use of our telephone service. Quad-Citizens are using the telephone more and more to get something done or just have a friendly chat.

### VACATION TRAVEL TIPS

If you plan to go out of town on vacation, there are a couple of things you can do to make your trip more enjoyable and carefree.

First, call ahead for reservations. Second, make arrangements with a relative or neighbor to keep an eye on your house while you're away. Give them your vacation address and phone number so they can reach you in emergency.

Remember, too, Long Distance rates are lower on Sundays and weekdays after 6 p.m. And you save more than one-third when you call station-to-station.

### JUNE GIFT IDEA

I think Junes comes next to Christmas as probably the biggest gift-giving time of the year. Weddings, graduations, engagements, going-away presents and, of course, Father's Day. They all add up to a big problem: how to pick out something "different" without spending too much.

I believe I have a good solution to that problem—a color extension phone. It's a practical gift of lasting convenience. And a color phone adds a touch of beauty to a room.

So why not shop for this ideal gift the easy way? Just call the telephone business office at LO. 1-9800. Or ask any telephone serviceman.

Call by number. It's twice as fast.

### Public Meeting At YMCA

## County Zoning Proposal To Be Outlined Here June 23rd

Quad-Citizens will have a first-hand opportunity to learn details of a proposal for land use and zoning controls in the unincorporated areas of the county during a public meeting to be held here next Thursday.

The meeting will be held at 7:30 p.m. June 23 in the YMCA auditorium, sponsored by the Madison County Citizens' Planning Committee, a group of private citizens. It is one of a series of explanatory meetings being held throughout the county.

Purpose of the public meeting is to explain the proposed county zoning plan and its benefits. Sufficient time will be available for a question and answer period. Prior to the start of the meeting series, the citizen committee met in a number of sessions during which concern was expressed over the detrimental effect the lack of planning might have on the county's growth. The need for proper land use and zoning was stressed, if the county is to develop and prosper.

C. E. Townsend, editor-publisher of the Press-Record and a member of the citizen group, will preside over the local meeting.

Taking part on the program will be Alton W. May, member of the county board of supervisors from Alton and chairman of the county board's Zoning and Subdivision Control Committee, and William Owens, an associate member of the planning firm of Everett Kinkadee & Associates, employed by the county to make the land use and zoning study. May's topic will be "Where Madison County is Today on Planning and Zoning," and Owens will speak on "How Planning and Zoning Protects You."

Other public meetings have been held at Alton on June 20 and at Highland on June 22. One is being held today at Edwardsville, and following the June 23 meeting here, the final meeting will be held June 30 at Alton or Wood River.

All interested residents are invited to attend next week's meeting and special invitations are being sent to city, township and school officials and to various groups including real estate and farm organizations, the Associated Retailers, manufacturers, railroads and utilities.

G. W. Hoelcher is chairman of the citizen group.

### Girls Reports Abduction As Car Crosses Bridge

A possible abduction case was reported by a McKinley Bridge toll collector at 2:40 p.m. Monday to Venice police, who forwarded a report of the incident to Moline, Ill., police.

The collector, James Daniels, was accepting the toll from the driver of a 1957 blue and white auto when a girl in her late teens or early twenties jumped out of the car and told him, "This man is taking me somewhere and I don't want to go." Grabbing her by the arm and pulling her back into the car, the man struck her in the face and told Daniels that he was her father and was taking her to a doctor.

As the car sped away, the collector obtained the license number, and police learned that it was issued to a Moline resident. The man was described as his late forties or early fifties, medium height, wearing heavy glasses, blue and white striped shirt and a soft manner of speaking. The girl was wearing a blue skirt and white blouse, and her brown hair was mussed, police were told.

## Farm Column

By THURMAN W. MAY  
Madison County Farm Adviser

The farming situation in the county has improved greatly in the last 10 days. Last week's dry weather enabled farmers to get a lot of field work done, and practically all the corn and soybeans are planted. Alfalfa and red clover hay harvest is about done, with heavy crops. The first cutting of alfalfa was as much as two weeks behind normal schedule on many farms.

With warm weather and occasional showers, the corn and soybeans will grow fast. A few wheat fields look good and will start turning color as they ripen.

More than three-fourths of the crop acreage of the county is devoted to corn, soybeans, wheat and hay. Farmers like to select the highest-profit crops adapted to their soils and grow as many acres as the most profitable legume or legume-grass mixture for hay and pasture necessary to control erosion and to help keep soil fertility at a high level.

Corn is king in the Corn Belt. Illinois farmers have a great natural advantage in the production and use of corn. The crop usually gives the highest return per acre and per hour of man labor, provided yields are kept at a high level—70 bushels an acre or more.

Soybeans give high returns, particularly for labor. They do not deplete the soil of nitrogen. They fit well into a cropping pattern because wheat can be readily seeded after them.

Wheat provides cash income in midsummer, a time when other crop income is absent. Restrictions of government farm programs limit the acreage of wheat that can be grown.

Other small-grain crops, particularly oats, give only moderate returns. They are used mainly to provide a nurse crop for legume and grass seedlings and to give some income during the transition from cultivated crops to a soil-improving grass and legume crop.

Legumes and grasses are grown for livestock feed and for soil maintenance and improvement. High-yielding and high quality hay and pasture crops, when fed to efficient livestock, can also be relatively high-profit crops.

A brand new University of Illinois circular presents just about every phase of strawberry production in Illinois. The title is "Strawberry Growing in Illinois." Written by Chester C. Zych and Dwight Powell, it is primarily for commercial growers.

The 56-page publication covers planting, management practices, marketing, insect and disease control and many other items that growers will find helpful. Copies are available to commercial strawberry growers at the farm adviser's office.

This year community ASC elections will be held by mail from June 24 to July 5. Committeemen elected will take office Aug. 1 and serve until elections are held next year.

In order to be eligible to vote in the community committee election, a person must have an interest in a farm in the community as owner, tenant or share-cropper, must be participating in the Agricultural Conservation Program, or carrying out on his farm one of the eligible practices covered by the program, or be eligible for price support on one or more agricultural commodities he produces. If you are eligible to vote, you will receive a ballot through the mail. Be sure to vote and return it in the enclosed envelope.

Poultrymen interested in new feeding and management methods tested at the University of Illinois this past year can hear about them on Monday, June 20. The College of Agriculture announces that its annual All-Industry Poultry Day is scheduled for that date. The program will feature research reports as well as several outstanding guest speakers.

In one project, workers have fed pullets a simplified corn-soybean diet. They have compared the performance of these pullets with that of other pullets receiving a combination of several energy and protein concentrates.

Farm trucks cost their owners about 10 cents a mile to own and operate, a study by University of Illinois agricultural economists shows. Operating costs for gasoline, oil, grease, repairs and maintenance averaged about 5 cents a mile. Fixed costs, such as depreciation, interest on investment, license fees, insurance, antifreeze and other items, averaged about 5 cents a mile.

This study included 19 one-half and one-ton trucks on central Illinois farms in 1958. The trucks were driven an average of 4600 miles.

Many wheat fields were heavily infested with loose smut this year, enough in some cases to reduce yields considerably. The widely-grown Knox variety seemed to have the most smut, because it has been grown longer than some of the newer high-yielding soft wheats, like the Vermilion. There is no

effective treatment for the disease. Small quantities of seed are sometimes given a hot-water treatment under carefully controlled conditions. Some farmers are planning to get new seed for planting this fall. Stinking smut, a different disease, can be controlled by seed treatment.

# Auto Found In Venice Was Stolen In Chicago

A black 1956 convertible found parked June 6 in the parking lot of the Norm's Club tavern, 718 Main street, Venice, was identified at 5 p.m. Monday as the auto of Janis Fritz of Chicago, stolen in Chicago May 31.

An initial check with state police showed no stolen report, but Venice officers wrote to Chicago after learning that the car's license had been issued to the Fritz family. A message received Monday afternoon from Chicago police gave details of the theft and said that further word will be sent on disposition of the car.

The car was towed away at the time of the discovery, and has been parked near the Venice city hall.

# ASC Nominations Due Monday; Chairmen Named

Nominations for the office of Agricultural Stabilization and Conservation Commission committee members for Madison County will be accepted by chairmen of the election boards through Monday, June 20, Earl P. Reid, office manager of the local ASC group, said.

By contacting local chairmen, C. C. Loach, Rural Route One, East Alton, for Chouteau township and Ralph Eade, 8000 Pontoon road, for Nameoki and Venice townships, and by obtaining a petition signed by ten registered voters any interested person can become eligible.

# JA Firm Presents National, Area Awards To Dow

Two 1959-60 awards earned by Jadow of Granite, the Junior Achievement company sponsored by the Dow Metal Products Co., were presented to officials of the firm at a dinner held last night at the Rose Bowl.

Two metal and walnut plaques were presented by Paul Lingie, Jadow president, to Herbert H. Lyon, plant manager of the Dow plant in Madison. Others present included Frank Mansfield, assistant manager; Bill Baker, Bill Annon, Leo Schrieber and Miss Velma Ward, advisors to the JA company; and about 15 members of Jadow, composed of Granite City, Madison and Venice high school students.

One award recognized winning of second place nationally among several hundred JA companies judged on general performance in the general metal products field. The other award designated Jadow as first place winner among JA companies of the Junior Achievement center located in Granite City.

Jadow members made and sold over 3000 magnesium cookie sheets under the brand name of "Maggie Baker." The sheets had a retail cost of 75 cents each.

# State Driver Improvement Clinics Prove Successful

Drivers who have attended the state's Driver Improvement Clinics violate traffic laws only one and three-tenths per cent as frequently as they did before taking the course, Secretary of State Charles F. Carpenter announced at his office.

Carpenter said a study of the records of 8253 persons who were issued probationary permits after their driver licenses had been suspended showed that only about 150 of them were convicted for about the same number of violations in the year following the course.

In the year preceding the time they attended the clinics, the same group accumulated a total of about 25,000 convictions for traffic offenses, he said.

Secretary Carpenter described the clinics as "a tremendous step forward in traffic safety in Illinois, because it is rescuing 'borderline' drivers and rehabilitating them before they become really bad drivers."

He explained that probationary permits are offered to drivers whose licenses have been suspended because of three convictions for traffic offenses within one year, but who accumulated 62 points or less. Point values have been assigned to the various law violations according to their seriousness.

The probationary permit allows the person to continue driving during the suspension period, but he must agree to attend four hours of classroom instruction in traffic safety at the clinics and must not be convicted for a traffic offense during the period, Carpenter said.

# Multiple Sclerosis Drive Set For Weekend

The Rev. William Montgomery, assistant pastor of the First Presbyterian Church, 22nd street and Delmar avenue, and twenty-two other ministers from the Quad-Cities, have organized a "tag days" for the benefit of Multiple Sclerosis, Friday and Saturday. Canisters also have been placed in business establishments where contributions may be made.

The Quad-City drive is part of the St. Louis Area Chapter campaign, which has Kenny Poyer, Cardinal team captain as general campaign chairman, Shirley Temple Black is the national campaign chairman for the Multiple Sclerosis Society.

Funds raised support national research and local assistance to needy patients. Multiple Sclerosis is a mysterious, progressively crippling disease of the central nervous system, for which neither cause nor cure are known. An estimated 3000 persons in the area served by the St. Louis Chapter are afflicted with MS or closely related neurological diseases.

# Complaint Against Boys

Police were summoned to the 2610 block between Iowa street and Madison avenue about 2 p. m. Monday on a complaint that boys were dumping garbage cans. The officers contacted parents of the boys who agreed to take care of the matter.

# Motorist In 3-Car Crash Pleads Not Guilty

A pleading of innocence was entered Tuesday by an 82-year-old motorist, Anton Becker of Roxana, who was charged with failure to yield right-of-way following a three-car accident Monday afternoon in the 1900 block of Edison avenue. He is free on \$16 cash bail, pending a hearing before Police Magistrate Caspary next Tuesday.

Police said Becker was driving east out of the alleyway and drove in front of a northbound car driven by John M. Fisher, 20 of Mitchell. The autos collided and then Becker's car struck the right side of a parked auto belonging to Betty E. White of Madison. No injuries were listed.

## DeWitts Going To Canada For Library Conference

Due to the illness of Richard Kraft, 69 Riviera drive, he and his wife will be unable to attend the annual conference of the American Association of Library Trustees Saturday and Sunday in Montreal, Canada. He had been selected as the Illinois delegate to the meeting, which is being held this year jointly with the Canadian Library Association.

This state's alternate delegate, Karl Bauer, Waukegan, Ill., has made plans to attend in Kraft's absence. However, this area will be represented by Mr. and Mrs. Frank DeWitt, 635 Washington avenue, Venice, who will leave by air tomorrow. DeWitt succeeded Kraft as president of the Venice library board, and the two couples had made plans to attend the conference.

## Speeding Ticket

Barbara Poole, 20, of 1644 Primrose avenue, was issued an arrest ticket at 20th street and Madison avenue on Monday afternoon by Granite City police who charged her with speeding. She posted her driver's license as bond.

## \$20,865 For 3 Local Cities On March Sales Tax

City sales tax receipts for local municipal treasuries amounted to \$20,865 for March, surpassing the March figure in all previous years. It was the ninth consecutive month in which new records have been set.

The \$20,865 figure compares with \$19,470 in March 1959, \$17,509 in March 1958, \$18,103 in March 1957 and \$15,880 in March 1956.

For the year of 1960, the city sales taxes collected locally and returned to the city treasuries by the Illinois Department of Revenue have reached \$60,727, including \$30,792 in January and \$20,069 in February.

The \$60,727 three-month total includes \$48,033 for the city of Granite City, \$8950 for the city of Madison and \$3103 for the city of Venice.

Of the \$20,865 taxes for March, \$16,444 is for Granite City, \$3305 for Madison and \$1115 for Venice.

Amounts certified for payment under the Municipal Retailers' Occupational Tax Act are determined by deducting four per cent for state administrative costs from the gross collected under the one-half-cent city sales tax.

Other record-setting months of the past nine have been July 1959, \$25,045; August, \$20,687; September, \$21,124; October, \$20,786; November, \$20,894; and December 1959, \$24,536.

## Quad-Cityans Invited To Hear Anti-Obscenity Talk

An invitation for Quad-Cityans to hear a talk by Mrs. Cecil M. Harden, special assistant to Postmaster General Summerfield, at Belleville next Monday evening, was made today by Granite City Postmaster Theodore Overbeck.

Mrs. Harden, a former Congresswoman and a nationally known speaker, will outline the current anti-obscenity campaign and the crusade against mail-order obscenity.

The program will be held at 8:30 p.m. in the Belleville junior high school auditorium, sponsored by the PTA, Knights of Columbus, Belleville Women's Club and Protestant Ministerial Alliance of Belleville.

Postmaster Overbeck said local groups interested in the campaign are invited to hear Mrs. Harden.

## Summer Hours Start At GC Public Library

Effective this week, hours at the Granite City public library will be 9 a.m. through 6 p.m., Monday through Friday, Mrs. Mary Gene Knufinke, librarian said today.

The summer hours will remain in effect until September, she added, when evening hours at the library will be resumed.

## Receives Degree

James D. Shillito of this city, has graduated from the Midwest Bible College, St. Louis, with a Bachelor of Arts degree. His major was theology.

## City Still Awaiting Delivery of Signs

Return to two-way streets in downtown Granite City will be delayed about two weeks after the delivery of new stop and directional signs in order to provide sufficient time to acquaint motorists with the new traffic pattern, Mayor Leonard R. Davis said this week.

The new arrangement, with 19th street to be open to two-way traffic for its full length and State street from 18th street to Niederrhousen avenue, was worked out during a meeting of city officials and officers of the Associated Retailers.

Restrictions will be kept to a minimum so the two-way traffic flow may be utilized to its fullest extent. However, additional stop

## Highway Contract Award

A Madison county highway project to cost \$456,518 is among the \$6,000,000 worth of highway construction contracts awarded this week by the state division of highways at Springfield. S. J. Groves & Sons Co., Springfield, was awarded the \$456,518 contract for two parallel WF-beam grade separation structures for FAI Route 70 over State Route 111 and two approach spans about a quarter mile north of Fairmont City.

signs are to be erected at the 19th street intersections. The only left turn restrictions will be for northbound traffic on State street. No left turns will be permitted at 20th street or at Niederrhousen avenue for the northbound State street traffic.

## Alex Kwiatkowski, 68, Dies Tuesday Morning

Alexander Kwiatkowski, 68, of 1608 Sixth street, a Madison resident for 47 years, died at 4:27 a.m. Tuesday of silicosis, a disease caused by extended inhalation of toxic dusts. He passed away at the Madison County Sanitarium in Edwardsville. He had been a patient there for 19 months.

A native of Poland and a retired molder at General Steel Castings Corp., Mr. Kwiatkowski had been ill for four years. He worked at the Commonwealth plant for 47 years and was a member of St. Mary's Catholic Church in Madison, the Polish National Alliance and was a veteran of world war I. He is survived by his wife.

## Mrs. Anastasia Kwiatkowski; two sons, Stanley Kwiatkowski of Granite City and Theodore Kwiatkowski of Madison; two daughters, Mrs. Gene (Heim) DeRuntz of Granite City and Mrs. Joseph (Delores) Guzy of Madison; a brother, Walter Kwiatkowski; and eight grandchildren.

Funeral services are given in the obituary column.

### Sternberg Elected Trustee Of Eureka College

#### GC Student In U. Of I. Engineer Honor Society

Charles B. Beecher, 217 Woodlawn avenue, was recently elected to membership in the University of Illinois chapter of Tau Beta Pi, national engineering honor society.

The society, which has the most rigid requirements of any in its field, selects from only the upper eighth of juniors and the upper fifth of seniors.

Gene H. Sternberg, local contractor, has been elected to the board of trustees of Eureka College at Eureka, Ill., according to an announcement made this week by the college president, Ira W. Langston.

Sternberg, who resides at 2022 Cleveland blvd., is a graduate of the college. He will attend his first meeting as a college trustee on Oct. 15.

The college is currently working on an expansion program.

## YMCA Increases Budget For Expanded Program In 1961

Plans for an expanded program, a portion of which has already been begun, have resulted in the adoption of a \$38,512 budget for 1961 by the Granite City YMCA board of directors.

Subject to approval by the Y-Town board, the budget for which the YMCA receives roughly half of its operating capital, the budget was approved at a meeting of the YMCA board Monday, and represents an increase of \$11,362 over the current \$27,150 budget, including a \$762 increase in the U.F. allocation.

Also approved and forwarded to the United Fund was a YMCA town budget for 1961 of \$30,000. The Teen Town budget was \$7633.

In approving the 1961 budget, the Y board of directors included a request for \$50,512 in United Fund monies. Current YMCA operations are financed by a \$43,150 U.F. allocation, plus \$44,000 of YMCA income from other sources. The estimated YMCA income for 1961 from outside the United Fund was estimated at \$48,000.

The Teen Town budget for 1961 shows an increase of \$1397 over the 1960 figure, including a \$1530 increase in salaries and wages and a \$133 reduction in maintenance and household costs. Office supplies and expenses in the Teen Town department will remain the same next year as this under the provisions of the budget.

Wage, Utility, Equipment Boosts

Budget increases under the various headings in the Y budget proper are salaries and wages of YMCA employees, heat, electricity and water, and new equipment in the physical, boys' and swimming departments.

C. A. McMillan Jr., YMCA director, said the new equipment is a necessity, since the Y program is being expanded to the largest size ever. An extensive summer program is being undertaken for the first time, and the "Y" swimming pool is so busy that separate classes are being run in the shallow and deep ends of the pool at the same time.

The YMCA director added that salary increases for instructors, guards, and workers in the various departments are to be increased "to attract top-flight personnel and keep those we already have." Wages for custodians and maids at the YMCA are also due for an increase, according to the budget.

At Monday's budget adoption meeting, YMCA board Vice-President H. D. Karandjeff presided in the absence of Board President G. W. Holscher.

1961 Budget

A breakdown of the 1961 budget, listed estimated expenses for next year and the increase or decrease as compared with budget figures for the same item this year, follows:

Salaries and wages: professional \$29,080, up \$1564; clerical and instructors \$7100, up \$100; maintenance and household \$21,000, up \$4028; retirement fund \$2120, down \$280. Total salaries and wages \$29,812, up \$3412.

Office and building maintenance: utilities (heat, electricity and water) \$11,500, up \$2200; insurance \$1600, same; household supplies and laundry \$4000, up \$100; repairs to building \$1000, up \$500; new equipment \$2000, up \$1500; and major renovations (tuckpointing and roof lining) \$4000, up \$250. Total office and building maintenance \$24,100, up \$4550.

Administration: office supplies and expenses \$2000, up \$400; auto upkeep and allowance \$500, same; national, regional, state and local dues \$2100, same; and telephone \$1200, up \$100. Total administration \$3800, up \$300.

Activities and services: entertainment costs \$100, up \$50; program and supplies \$1500, up \$500; and miscellaneous \$400, same. Total activities and services \$2000, up \$550.

Other expenses: interest \$1100, down \$150; rent reduction \$100, up \$500; and audit \$200, same.

Estimated Income

The \$38,512 estimated income for 1961, compared with figures taken from the estimated income for the current year, shows:

Fees and use of meeting rooms \$4000, same; membership dues \$22,000, up \$4000; dormitory residence \$22,000, same; and United Fund allocation (tentative) \$30,512, up \$7362.

### Scout Executives Address Kiwanians

Dan Brown, local Boy Scout executive, and Ray Gaudette, scoutmaster who will attend the Boy Scout national jamboree at Colorado Springs, Colo., in July, as an official representative, were guest speakers at a Monday meeting of the Granite City Kiwanis Club.

Brown spoke on an achievement award program instigated by the Boy Scouts in this city in the 50th year of the movement. The program had four objectives, he said: a service project, the recruiting of one new Boy Scout by each present member, physical and mental self-improvement, and advancement in the Boy Scout ranks.

Included in the program were the collection of clothing and paper, participation in the Boy Scout "Showdowns" held recently in Venice and plans for active participation in the national jamboree. The Kiwanis Club also donated to help cover expenses of a local Boy Scout who will attend, it was announced.

Gaudette modeled official national jamboree attire, and a 20-minute film on the 1959 jamboree at Valley Forge, Pa., was shown.

During the meeting club president Francis Judd furnished convention materials to Kiwanis International Convention delegate Marvin Barnes of the local club. The convention will take place at Miami Beach, Fla., the last week in June.

## State Capitol NEWS

More than three dozen high schools with some 2500 young instrumentalists will take part in the Illinois State Fair band contest, which begins its five-day eliminations on Monday, Aug. 15. Schools represented range in size from more than a thousand students to those with less than 125. Appropriate classifications are established for judging purposes.

Each band is judged on a 30-minute concert. While music is the principal subject of judging, the bands are also scored on appearance, audience interest and discipline. Bands are rated in one of three groups: superior, average, and undeveloped.

Gov. William G. Stratton will present a special trophy to the grand prize winners of the contest. In addition, governor's awards will be presented to winners in each classification.

Deadline for high school band entries is July 20.

State Fair dates are Aug. 12 through 21. Mail orders for tickets to Grandstands and Coliseum attractions are being accepted. Mail should be sent to: Illinois State Fair, Ticket Department, Springfield, Ill.

Qualified candidates aspiring to become members of the Illinois State Police may still apply to the State Police Merit Board, Gov. Stratton announced.

Continuous processing of results to maintain the state police at its full strength of 1200 men authorized in 1957 to augment Gov. Stratton's highway safety program.

Fred Gundrum, chairman of the merit board, said about 3000 applicants undergo preliminary screening for each class. Most of these are invited either to Springfield or Chicago for written tests and physical examinations to qualify for personal interviews conducted by members of the merit board.

Closing date for applications from candidates for the next recruit training class is July 31. Applications should be sent to the State Police Merit Board, Fifth Floor, Centennial Building, Springfield. Blanks may be obtained by writing the board or by calling at any state police department headquarters.

Rainfall increased generally throughout most of the state in May. Precipitation was heaviest during May in western and northwestern Illinois where certain localities received more than seven inches. May was the first month in 1950 when above-normal rainfall occurred in southern Illinois.

Illinois municipalities have been allotted \$4,148,276 as their share of motor fuel tax paid into the state treasury during May, the Illinois Department of Finance reported to Gov. Stratton last week.

There were 39 fewer deaths on Illinois' roads and highways over the first five months of the year than for the same period in 1959. According to Gov. Stratton, the total for this period was the lowest total since the state's first year of 618, a reduction of 6.3%.

The month of May showed a reduction of 17 deaths over the year. The death toll was 142 against 159 a year ago. This is a record for the lowest number of deaths in a year since 1948.

Illinois has established a record in bringing about a reduction of traffic deaths for the last four consecutive years.

90-Day County Jail Term On Vagrancy Charge

A 90-day sentence in the county jail at Edwardsville was handed down Tuesday afternoon by Police Magistrate Gasparovic for Loren Hutton, 50, of Glen Carbon, who was arrested at West 25th street and Missouri avenue about 1:45 a.m. Tuesday by Granite City police on charge of drunkenness. An additional charge of vagrancy was filed by Police Chief Raymond Willard.

Hutton first pleaded innocent to both counts, but then changed his pleadings. He was taken to the county jail Tuesday night.

The original jazz style of music was created in the late 19th Century in New Orleans.

## Where Ten Miles are a Revelation!

As far as distance is concerned, it may not sound like much of a journey.

But even a brief acquaintance with the "car of cars" constitutes a revelation in modern motoring.

You sense this the instant you settle into the driver's seat. For comfort and spaciousness and luxury have never been more beautifully combined in a motor car.

And then you turn the key—press your toe to the accelerator—and the seat cushion presses against your shoulders to announce you're off!

The car rolls out into the city's traffic in extraordinary silence. The steering wheel moves as if your hands had been blessed with a magic touch.

Then, as the city streets blend into more spacious boulevards, Cadillac's magnificent riding qualities come more keenly to notice.

You seem almost to float over the highway. Any flaws in its surface are simply absorbed before they can make themselves known.

The car moves with an incredible feeling of substance and solidity—and with an inbred sense of mastery over the roadway.

Why not visit your dealer this week—and see for yourself how truly inspiring a motor car can be. He'll be happy to lend you the keys for the ten most memorable miles of the year!

### Editorial Placed In Congressional Record

A Press-Record editorial published on June 6, entitled "Growing Red Influence Places Extra Responsibility on Parents, Educators" was placed in the Congressional Record of June 19 at the request of Cong. Melvin Price, it was announced on Tuesday.

Commenting that he is in "complete agreement" with the views expressed in the editorial, Cong. Price noted frequent recognition of the Press-Record for "progressive and outstanding contributions in the field of journalism" and said "the thoughts expressed in this editorial indicate the reason" Editor C. E. Townsend is "so well respected."

The text of the editorial was printed in the Congressional Record along with the congressman's remarks.

### Half-Inch Of Rain Falls In First Half Of June

While rainfall was spotty throughout the Quad-Cities area this week with heavy showers reported in some sections of the community, the official readings taken by the U.S. Army Corps of Engineers at the Chain of Rocks canal locks gauge show only a half-inch of rain has fallen in the first half of June.

In the first 15 days, rainfall was recorded on four — .02 inch on Sunday, a trace on Monday and 50 inches on Tuesday. The readings are taken at 8 a.m. each day. The other rainy day was June 2 when a trace was recorded. A trace is less than a hundredth of an inch.

The .50-inch of rain increases this year to 13.03 inches, or 3.78 inches below normal for the first 5½ months of the year.

June 1959 also was a dry month, being the area's driest month of the year with only .72 inch of rain recorded. The past May was the wettest to date with 4.27 inches.

### One Verdict In 2-Week City Court Jury Setting

The settlement of three lawsuits before they reached the jury has cleared the docket in the two-week city court jury setting here, the office of the clerk of the city court said yesterday. The settlement of the three suits, all brought as the result of automobile accidents, made a total of nine cases which had either been settled before reaching the jury or settled out of court. The city court jury reported on only one case during the jury session, and found the defendant not guilty in that case.

Originally 61 lawsuits and two appeal cases had been scheduled to go before the jury between June 6 and yesterday. Those not settled were dismissed or continued to the next jury setting.

### Corporation Charter

A corporation charter was issued this week to a local firm by Secretary of State Charles F. Carpenter. The charter went to AAA Amusement, Inc., 2210 Ames avenue, with authorization for 10,000 shares of common stock with a par value of \$5. The officers are Ernest P. Elleff, Leonard D. Amshel and Boris P. Elleff, and the charter is for the operation of a center for use by the public of amusement devices known as rebound mats.

### PRESBYTERIAN WOMEN

ELECT MRS. STEWART

The United Presbyterian Women's Organization of the Nameoki Presbyterian Church held its last meeting of this season Monday evening at the church and elected new officers for the fall and winter season.

Mrs. Betty Flinn, president, presided at the meeting and reported that the summer medical offering was to be taken. The offering was dedicated by Mrs. Louise Anderson.

Dr. Edith Millikin, a missionary in the Mora Valley of New Mexico, will be the missionary recognized in prayers by the ladies of the organization every Tuesday during the coming month.

The fellowship chairman, Mrs. Irma Taylor, welcomed and installed a new member, Mrs. Jung Kim.

Mrs. Carolyn Stearns, nominating committee chairman, announced names of the new officers, who were then installed.

Mrs. Alta Stewart is the new president. Fern Mitchell is treasurer. Mrs. Lu Pyle spiritual life and stewardship service chairman. Mrs. Louise Anderson program chairman. Mrs. Edith Simpson fellowship chairman. Mrs. Betty Flinn local service chairman. Mrs. Taylor nominating committee chairman. Mrs. Frances Flinn chairman of the day circle and Mrs. Louise Thompson, chairman of the evening circle.

An order was made to send to refugees in Hong Kong, China, for their self-help program. An announcement was made by the president that the group will continue the cancer bandage project.

Chapters of the book, "Consider the Church," were studied and devotions and a resume of the life and work of Dr. Millikin were given by Mrs. Joan Kaseberg.

The day circle will meet with Mrs. Ann Ross of Edwardsville on June 23 and the evening circle with Mrs. Twyla Marcum, 4027 Vesel avenue, on June 28.

Mrs. Ann Ross and Mrs. Irma Taylor, the evening's hostesses, received refreshments to the newly elected officers and to Mrs. Bos Pyle, Mrs. Ann Freeling, Mrs. Joan Kaseberg, Mrs. Marcum, Mrs. John Kaseberg, Mrs. Kim and two guests, Mrs. Janet Kier and Mrs. Jessie Davis of Cleveland, O.

Eddie Snipes-Hoff, 13, son of Mr. and Mrs. Arthur Hoff, 1616 Moro avenue, returned home from St. Elizabeth Hospital Wednesday after undergoing a tonsillectomy Monday morning. He is recuperating satisfactorily.

Mr. and Mrs. Adam Munsterman, 3831 Nameoki road, entertained Mrs. Minnie Coody, Mr. and Mrs. Joe Coody and children, Donald, Mary and Robert, and Mr. and Mrs. Alloysius

## Wheat Marketing Cards

To Be Mailed June 20

Earl P. Reid, office manager of the Madison county Agricultural Stabilization and Conservation committee office at Edwardsville, announced today that 1959 wheat marketing cards will be mailed to eligible farmers on June 20.

This year, Reid said, all wheat producers must present their marketing cards to wheat buyers to be eligible to collect payment for the grain sold without a penalty being deducted from the proceeds of the sale by the buyers.

The penalty on the production over his allotment or permitted acres is \$1.08 a bushel times the 10-year normal yield as established by the county committee for the individual farm.

Reid said that if any eligible wheat producer does not receive his card within a reasonable length of time after June 20, he should contact the county ASC office at 118 Hillboro avenue in Edwardsville.

Coody and children, Karen, Bernard and Joellen, of Springfield, Ill., in their home this week. Mrs. Minnie Coody is the sister of Munsterman.

## Motorist In Two-Car

Crash Charges Charge

A charge of failure to yield right-of-way was placed against Guy R. McKinney, 42, of 2027 Sherman avenue, following a two-car accident Wednesday morning at Niedringhaus avenue and Benton street. He posted his driver's license as bond.

Police said McKinney was going north on Benton street, while the other car was being operated east on Niedringhaus avenue by Ida Taylor, 59, of 2329 Hodges avenue. No injuries were listed, but both autos were towed away, according to the report.
